

MARCH 2023

Exhaust Notes

AUSTIN-HEALEY CLUB OF NEW ENGLAND

STATE OF THE PRESIDENT

Spring is now just around the corner and it is time to start getting the cars ready for the road and firming up plans for the driving season. A quick look at the calendar on AHCNE website (www.ahca-newengland.org) will confirm that there will be a Healey car event for everyone. Remember it's not just our club calendar where you can find event listings. Moss Motors, a frequent and generous supporter of AHC-NE, has a Find a Club listing and Online Event Calendar. See www.mossmotoring.com. This can be a great resource especially if you are planning to travel outside the New England area.

Thanks to Bob Britton for arranging our club birthday party which will take place at Longfellow's Wayside Inn, 72 Wayside Inn Road, Sudbury, MA on May 7, 2023. This event is limited by the banquet facility to 56 people. Reservations and payment must be received no later than April 28, 2023. See AHCNE website for complete details at www.ahca-newengland.org.

Here is where I make my shameless plug for the Sand Dunes and Salty Air tour which will take place on May 10-11, 2023. We already have more than a dozen people who have expressed interest in this tour of the less traveled roads of the Falmouth/Woods Hole section of Cape Cod. Please let me know if you are interested in being a part of the tour. Although there is no limit to the number of cars that can participate, we will be making lunch and dinner reservations at some iconic cape restaurants that have seating limits. Please get back to me on or before April 15th if you want to be included in the reservations. We have some participants who have already booked overnight accommodations around this tour.

Now the BIG NEWS. A Summit gathering will take place in Mystic Connecticut September 24-28, 2023. Thanks to Jud Perkins for a fantastic job arranging the host hotel and preparing the

preliminary schedule of events. Registration material will be available in the near future. Please save the date and watch for complete details to follow.

Finally, we could use some help coordinating activities in Wing 1 (New York City, SE New York and SW Connecticut) and Wing 2 (Central Connecticut and Mid Massachusetts). If you have any interest in helping out please contact me to discuss. Thanks again to Roy Crane for taking on leadership of Wing 5 and Ken Gypson for helping out with Wing 7. Of course, a big thanks to Dutcha, Steve Bell and Bob Britton for continuing their stewardship of Wings 3, 4 and 5.

Bruce L. Ketchen

A MYSTICAL *Healey* SUMMIT

SUMMIT 2023

September 24th – 28th in Mystic, CT

Come join the Austin Healey Club of New England at historic Mystic, CT the fourth week of September with autumn in the air for “A Mystical Summit”. Mystic, CT was a significant Connecticut seaport with more than 600 ships built over 135 years starting in 1784.

We'll have the opportunity to visit:

[Mystic Seaport](#) one of the largest maritime museums in the United States

[Mystic Downtown](#) on the Mystic River

[Mystic Aquarium](#) – one of the leading marine research institutions in the US

[Olde Mistick Village](#) with 80 quaint shops

The 100 year old [Mystic River Bascule Bridge](#) that crosses the river in the center of the village

[Mohegan Sun](#) or [Foxwoods](#) Casinos

A local winery

Monday:

Experience views of Mystic County along the scenic driving roads of eastern CT during the fun rally. Monday afternoon we will have the choice of an Austin Healey Tech session or a historic informational session about native American tribes from

Connecticut and history of the Casinos. Monday evening will feature a pizza party complete with a movie of general interest featuring Healey's at the Mystic Luxury Cinema.

Tuesday:

The day starts with the traditional valve cover races followed by the opportunity to experience the [Mystic Aquarium & Institute for Exploration](#), known for its research department, concern with marine life rehabilitation, and its popular [Beluga whales](#).

We've left time at the end of the day to visit other area attractions such as downtown Mystic and the [Mohegan Sun Casino](#) or [Foxwoods Resort Casino](#) with dinner on your own.

Wednesday:

Our annual car show will be at [Mystic Seaport](#) one of the nation's leading maritime museums. It is the home of four National Historic Landmark vessels. The museum's collections and exhibits include over 500 historic watercraft, a major research library, a large gallery of maritime art, a unique diorama displaying the town of Mystic as it was in the 19th century, a working ship restoration shipyard, a planetarium, and a recreation of a seafaring village. During the car show you may want to enjoy local sailing cruises. The car show entry fee is being used to grant admission to the Seaport at a greatly discounted fee.

In the afternoon, we will have a chance to visit and sample at a local winery. Our Cocktail Hour and Awards Banquet will be back at our host hotel, the Mystic Hilton, on Wednesday evening.

Our host hotel will be the highly rated Mystic Hilton directly across the street from Mystic Aquarium, the Olde Mystic Shopping Village and Mystic Cinema. The Olde Shopping Village has more than 80 independently-owned shops and galleries offering clothing, gifts, art, jewelry, books and more.

In addition to all the Summit specific activities we have allowed enough free time to explore Historic Downtown Mystic's shopping, restaurants, and charming waterfront district, nestled amongst colonial era sea captain's homes, church steeples and historic landmarks.

There are two nights with dinner on your own, where you can experience the diverse culinary landscape and award winning food and drink scene. With farm and sea to table, Italian, international cuisine, classic pub fare and an array of sweet shops, Downtown Mystic is a foodie's dream, or visit one of the area's two casinos.

We have negotiated a discounted \$159 nightly rate with the Hilton hotel. After your Registration Form and Payment are received, you will be emailed your official Summit Registration number, and Hilton reservation instructions.

We look forward to seeing you September 24-28, 2023 for "A Mystical Summit 2023".

A COOL RIDE WITH KOOLMAT®

Baird Foster
Moorestown, New Jersey
HEALEY MARQUE Contributing Editor

It's hard to believe that my wife and I have owned, driven, and enjoyed our Austin-Healey series BJ7 for almost 20 years, since 1980. And as much as we enjoy touring in the car, the issue of cabin heat has always

but provided little help in keeping the cabin cool. Early on in our ownership I laid down some 1/2-inch, very dense foam called "backpacker's foam." It was lightweight and intended for use as a bedroll for the hiker/camper. I applied it bedroll for the transmission tunnel, and most interior the floor, to the firewall, and most importantly, to the transmission tunnel, under the carpet. This was an improvement and provided some measure of comfort on our trips to events and tours. But hey! In our 20 years have taken their toll on those 20 years of technological advancement must have produced a more effective product.

Over the years, our BJ7 has undergone a steady "rolling restoration" on nearly everything, including complete engine and transmission rebuilds and a recent bare-metal re-spray. Now the carpet was looking its age, and the time had come

been a tough one on those 80+ degree F, over-like summer days. Our spray bottle air conditioner just doesn't do the cooling job we'd like. Therefore, heat reduction was one of the items I addressed early on, with the materials available at the time.

Before we bought the car, it had undergone a restoration by a previous owner in the early to mid-1980s. The floor and transmission tunnel carpet had the asbestos insulation material as insulation underneath. The asbestos insulation in the engine bay and above the muffler was intact,

Detail shows woven fiberglass and silicone sides of Koolmat®.

My surface rust in cockpit area has been removed. The area cleaned and then treated with Feather's Ford Liner-protectant.

WWW.HEALEYCLUB.ORG

JUNE 2009

to replace it, over some new insulation. An Internet search (another very handy technological advancement) led me to Koolmat®, a high-temperature composite insulation made of silicone and cured materials are permanently joined together without puncture, and it is protected by a U.S. patent. The product is used by NASA, NHRA, and NASCAR, so I figured that it should work in my Healey.

Less than 1/4-inch thick and weighing less than 1/2 lbs. per square foot, the thin material of Koolmat® makes it ideal for cockpit interior insulation. It can withstand a torch test of 1,000 degrees F for five minutes before the silicone tacks up. (I held it over our kitchen gas stove with the fiberglass to the flame for several minutes, and

Interior prior to replacement of tunnel.

Koolmat® has been cut to sized pattern and laid out prior to installation.

Transmission tunnel with Koolmat® fitted. Note flap created for transmission dipstick access and screws sealed with silicone.

patterns. (Cutting Koolmat® is very easy using heavier duty scissors.)

Helpful hints included the following: Remove the transmission tunnel before covering with Koolmat® to make the application easier; use 3M Super Spray adhesive #8090 for applying the material to a clean surface (the white fiberglass side is glued to the floor); and use clear silicone to seal seams and at edges (Permatex RTV silicone works well).

To replace the transmission tunnel to the floor and firewall, use a bead of silicone on the flange of the tunnel. Screw it down tightly, being sure that the shift lever is centered in the

nothing happened; the silicone merely felt a bit warm to the touch.) An added bonus of the product is that it affords noise reduction - a claimed 23 fewer decibels - surely a help in a Healey.

On the Koolmat® website www.koolmat.com, Tsikuris Classics in Lakeland, Florida, is listed as a supplier for Austin-Healey (email tsikuriclassics@aol.com). When I spoke with its knowledgeable and helpful owner, Paul, I learned that I needed about 14 linear feet (the material comes in a 30-inch width) for my BJ7. It cost about \$35/linear foot, plus shipping. As it does not come pre-cut, Paul marked out the necessary patterns on the roll. I ordered an extra two feet for a "just in case" scenario. Paul noted that from his wide experience with Healey restorations, generic pre-cut kits may not always fit properly and to measure carefully my car's floor areas before cutting his

Be Kooler in Your Healey

Ted Cryer

A topic that occasionally comes up during the monthly Technical Calls via Zoom is how to be cool, aside from driving a Healey to begin with, from the summer heat by insulating the interior of your Healey. While searching for sponsors and donations for the Enclave 2022, I contacted KoolMat, who has been around for numerous years and is located in Morrisville, NC. I discovered that they have pre-cut Restoration kits to insulate the floors on many classic cars, including Healeys. In fact, the KoolMat kit was featured in the Healey Marque issue of June, 2009. I have included a couple of pages from the article and the web URL for the KoolMat site.

Oh, KoolMat did make donations to Enclave.

Cape Codders Courageous 2023 Rally ***Saturday April 1st - Hyannis, MA***

About this event: This “scavenger hunt” of Cape Cod is a low-pressure event. You will be supplied with a map and clues to locations all over the Cape. The object is to determine from the clues where these locations are on the map, plan the shortest route to those locations and, once at the location, answer the question(s), and do so driving the fewest miles possible. Each two-person team chooses its own pace. The distance traveled will be at least 120 miles. Above all it is hoped that you will have FUN and maybe learn some things about the Cape.

Check-In/Registration: Saturday, April 1, 2023 in the parking lot at the rear of the International House of Pancakes (IHOP), 790 Hyannis Rd, Hyannis, MA between 7:30 AM and 9:30 AM After completing check-in/registration and the odometer check, you will receive your map and clues, at which point you can begin the rally.

Entry Fee: \$50.00 per car for SCCA members and past Old Timers’ Rally participants, if received by March 24, 2023. (Note: NO entries the day of the rally). \$60.00 per car for non-SCCA members, non-past participants, and all late entries. Please allow enough time for us to receive mail entries no later than March 31, 2022, as we will not have access to postal mail after that date.

Note: Rally teams usually consist of one driver and one navigator. PLEASE, no more than three adults (individuals over 12) per rally car.

Also, remember, this is a low-tech-event. Use of GPS, computers and other Internet connectible devices (PDAs, Smartphones, Tablets, etc.) to locate or answer questions OR to plot the shortest route between questions is NOT allowed.

- Fresh Brewed Coffee & Tea*
(Cash Bar Available)

Sand Dunes and Salty Air Tour **May 10th & 11th**

Our second annual Cape Cod tour (5/10-5/11) will venture off the Old Kings Highway and head to Falmouth, MA. Starting at the railroad bridge on the Cape Cod Canal, Buzzards Bay Recreation Area, 33 Canal Service Road, Bourne, MA at 10:30 AM on 5/10.

Our 2023 tour will travel through Falmouth to Woods Hole, home of the world-famous Woods Hole Oceanographic Institute traveling along the cape's less traveled back roads to enjoy the unique architecture, hospitality and history of the Cape. Working with fellow AHC-NE member and Cape Cod summer resident Jack Towle the tour is planned with Healeys in mind. We will not caravan as keeping cars together, even in off-season traffic, is challenging and potentially dangerous. Meeting points, rest stops, and gas stations will be provided in tour instructions. Participants are welcome to leave and join the tour at any point to explore area attractions. Google Best Things to do in Falmouth. For those wishing to stay overnight in Falmouth, we will provide contact information for a host hotel where participants will make their own reservations for Wednesday night. A social hour and dinner are being planned for Wednesday night as well.

Please get back to me ASAP if you are interested in participating so we can finalize tour details including food and lodging. For anyone traveling from afar, there is a Hampton Inn near the tour starting point.

Happy Healeying,
Bruce L. Ketchen
President AHC-NE

Hampton Inn, Bourne, MA

www.conclave2023.com

Healey Enthusiasts!

Our 2023 Conclave in Crystal River, Florida, is just around the corner. Coming May 21 – 26 at the Plantation Resort, it promises to be a special spring event. If you haven't registered yet, be sure to sign up at hyperlink above.

Our tech sessions will focus on several areas of importance to every Healey owner, starting with the following.

Austin-Healey Upgrade Solutions: James Morris and Glenn Lenhard will be discussing how to steer easier, brake better, leak less oil, run cooler, shift better, start better and other ideas that can make your Healey into a car that will get much more use. Learn the latest ideas in improving classic cars and making them more reliable, using methods that the factory would have used if the technology was available way back then.

Jewelry and Wine Retreat: Under the guidance of master teacher and silversmith Susan H. Maxon, you will design and etch your own one-of-a-kind piece of real jewelry. With 50 years of teaching experience behind her, Susan is very adept at bringing out the best in her students and making them feel comfortable and confident.

Participants will make a pair of sterling silver earrings or two sterling silver charms. You will learn how low-tech etching is done and produce unique pieces of jewelry that you can wear right away.

Artistic ability is not required; ideas and patterns will be available if you need them. All materials and tools will be provided for you to etch designs on sterling silver blanks. Bring your apron and be prepared to spend some time just having fun doing something creative. Your fee will include wine and all materials. Susan is the proud owner of an award winning 1954 MG TF 1250 and is an active member of the Tampa Bay Austin-Healey Club and the Florida Suncoast MG Car Club.

Conclave 2023 Organizers

Bill Borja, Chairman, Conclave 2023

Here's more information about another of the Tech Sessions that will be held at CONCLAVE 2023 IN CRYSTAL RIVER, FLORIDA. Remember the May 21-26, 2023 date!

Bill Young, a retired Electrical Engineer and Service Bulletin Columnist for the Healey Marque Magazine, will present a session on Austin-Healey Electrical Systems. It will include information on how the Austin-Healey electrical system was designed and operates in an engineering "ladder logic" drawing format. The logic diagrams will show how the power flows through the electrical system, starting from the battery to the illumination lamp on the rear number plate. We will talk about logic sequences, wire colors, un-fused wires, fused wires, fuse ratings, turn signals, fuel gauges, and grounding. He will also have a question and answer period where he can discuss the many issues that come up with our famous (infamous?) Lucas electrical components. Electrical diagrams will be available for all the Big Healey models and the Bugeye Sprite to take home.

And just to provide relief from those cold, snowy winters, here's information about Crystal River, our host city, from the Citrus County Chamber of Commerce.

The charming coastal city of Crystal River is the nucleus of Florida's Nature Coast, sitting along the spring-fed Kings Bay, an inlet of the Gulf of Mexico. With a population of about 3,200 residents, it is famously known as the "Manatee Capital of the World." The constant 72-degree spring-fed waters attract hundreds of migrating West Indian manatees. These crystal-clear waters are a magnificent destination and are the only place you can legally swim with the manatees. The most famous spot is Three Sisters Springs. Paddle or kayak into the springs or take the trolley at Crystal River City Hall to view from an expansive boardwalk surrounding the springs.

The Crystal River Town Square was completed in 2020 and features an expansive lawn, fountain, pergola and manatee statue. This completion marks phase one of the progress to come downtown. Next on the list is the multi-use splash pad, playground and more. So come see this scenic town!

British By the Sea

(ctmgclub.com)

We are inviting you to attend the
CT MG Club's 35th Annual British by the Sea gathering
 For 2023 we are celebrating the 100 year anniversary of MG
 Our marque of the year will be early MG's thru 1955
 Please join us on June 4th 2023, along with more than 350
 other British cars, trucks, and motorcycles for this fun event.

Our display field will be set up for 32+ classes.

10:00 AM till 4:00 PM, at Harkness Memorial State Park in Waterford, CT.

British Motorcars in Bristol, Rhode Island

June 9th - 10th, 2023

Independence Park & Colt State Park

The British Motorcars of New England is happy to announce that following the success of the 2022 show, the British Motorcars in Bristol 2023 will be held on June 9th - 10th. The event will return to the town of Bristol Rhode Island, Independence Park and Colt State Park. We could not have picked a more scenic venue. Colt State Park sits on the shoreline of Narragansett Bay and offers beautiful views of the bay from our show field.

Friday's schedule will include a cruise to the Rhode Island Veterans Home in Bristol and the Friday evening block party sponsored by our partners in the show, Explore Bristol. Saturday will be the day of the show, with up to 40 classes of British cars. This year's plans include more food trucks and vendors, many of them with the emphasis on the British car hobby. There will also be a return of the popular cruise around coastal Rhode Island and Massachusetts.

BRITISH MOTORCARS IN BRISTOL, RI June 9th & 10th

Independence Park & Colt State Park

SCHEDULE OF EVENTS:

FRIDAY

8:15AM-2:00PM British Motorcars Road Tour
2:30PM Cruise to RI Veterans Home
5:00PM Parade of cars through downtown Bristol, RI
6:00PM Street Party at Independence Park on Thames Street Downtown Bristol featuring:
Live Music • Beer Tent • Food Trucks & Classic British Motorcars!

SATURDAY

10:00AM-5:00PM Events in Colt State Park:
Classic British Motorcar Show & Car Corral
British Marketplace
Food & Beverage Concessions
1:30PM Awards Presentation & Drive by
Over 40 classes & competitions!
Come and support your favorites.

All British Motorcars Welcome! \$30 Early Registration
