May 2011 AHCA NE President's letter

Last month, we lost a great member of our Healey community with the passing of Rich McKernan. Rich was a past President of AHCA New England and very active in the club for many years. Rich's love for his family, sailing, and his Austin Healey has been an inspiration to all his friends. Our thoughts and prayers are with Pat and her family.

Spring has finally arrived in New England and we have seen a few great Healey driving days, already in April. Have you prepared your Healey for our driving season? Fortunately, our Healey's all started without any hesitation, after the long winter in the garage. I have spent much of the winter on the assembly of "Project Lucas", our '59 Sprite, being restored for our Grandson.

Adam Nolde of New Haven CT has kickoff AHCA NE event schedule with the first CT Drive and Dine tour on Sunday April 17th ending at Incas Peruvian Restaurant in Monroe.

During April, our 2011 New England membership has grown to 291, including another new member, David Foley of Shrewsbury, MA. We still have a modest number of 2010 members who have yet to renew, and this is the last month, that you will receive your "Healey Exhaust Notes".

May will be an action packed month with our first two Newcomers meets, Carlisle Imports weekend, plus the Chesterwood Antique car show. Bill and Barbara Erickson are hosting the Eastern MA/RI Newcomers event on May 7th at 10 AM at their home at 27 Hunter Lane, Canton, MA. The following Saturday, May 14th Bill and Betty Bender are hosting their Newcomers meet across the state, for the members in Western & Central MA, at their home at 117 Patricia Ave, Dalton, MA beginning at 10 AM.

Steve Bell and the Summit Committee met on site at the Holiday Inn Norwich on April 10th to continue the planning activities for 2011 Sun & Sand. The registrations for Summit are arriving daily, with guests from across NE, Quebec, and NY. Your discounted registration fee of \$50, is good through receipts up until May 1st. Don't wait until the last minute to register for Summit 2011 as some events, such as the Clam Bake Wednesday evening is first come, first serve and a maximum of 40 guests.

May is such an exciting month with so many Healey driving events, Mother's Day, and the unofficial beginning of summer on Memorial Day weekend. I look forward to seeing you at an AHCA NE event coming to your area.

Happy Healeyding! Pete

Eastern Mass/Rhode Island New Comers Meet

MAY 7, 2011

10:00am

27 Hunter Lane, Canton MA.

Have you ever wished there was a meet located right off Rte 128 only minutes from Boston, the South Shore and the Western Suburbs? Have you been looking for a way to meet new club members? Would you like to know how to use an orbital buffer to bring your car to a mirror shine? Are you looking for reason to take your car on some great roads?

Well wait no longer friend. On May 7 at 10:00am my wife Barbara and I will be hosting a new-comers meet at our home at 27 Hunter Lane, Canton MA. We are just a few miles off of Rt. 128 and Rt. 95 in easy reach of eastern Massachusetts, Rhode Island and eastern Connecticut. We will have coffee and pastry when you arrive and do some introductions and socializing. Next, all those so interested will spend a little time in the garage where we'll go over the basics of using the Porter Cable orbital polisher to detail your car. Then we'll finish the meet with a drive on some of my favorite local roads. The ride will end at a convenient point for all to get home.

I hope all of you can make it.

Please let us know if your can attend e-mail me at wericars@aol.com or calling us at 781-575-0812. We look forward to seeing you all on May 7.

Come on Spring! Bill Erickson

WESTERN MASS.

SPRING GET TOGETHER !!

May 14, 2011 At 10:00 AM

117 Patricia Ave. Dalton, Ma.

Well hopefully winter will be well in our rearview mirrors by May, so how about dusting off the British iron and traveling to Dalton to get reacquainted with all of your Healey friends? What better way to get yourself (and your Healey) revved up for summer, than to come to our Spring Meet in the beautiful Berkshires? After all, when you get our Healey friends and their cars together, well, that's beautiful!

What's that you say, you're new to the club and don't have any Healey friends? Come on out of the weeds and have some fun. We'll tip a cool one, munch some food and talk a lot. We'll have a chance to laugh about our mistakes and perhaps help you avoid the same ones. There's a wealth of Healey knowledge in our club. Let us impart some to you while we still remember it!

This year I hope to have a little something extra to entice y'all. I haven't gotten it pinned down yet, but I'm trying to set up a guided tour of Ventfort Hall, one of the great mansions from the Gilded Age. If that doesn't pan out, I figure we can take a nice trip to the Norman Rockwell Museum. Heck, we could take a scenic tour of the Dalton Dump (sorry... transfer station), and we would still have fun! So what do ya say...no excuses. Help us get this year off to a good start. Not sure yet? Gimme a call...I'll talk you into it!

Remembering Falmouth.....

I remember the Falmouth Cape Cod Meet...I don't recall the year but I think it was about the mid to late '80's. Here are a couple of things I remember:

- The hotel was water front with a pond in the back and ocean front with the Atlantic Ocean in the front.
- A little old lady complained to the police that she couldn't see the ocean with all the cars blocking her view.
- The cops arrived at the field where the car show was taking place and told us to vacate the property immediately.
- Our resident cop (Tom Brownell) and lawyer (Paul Wollman) calmed the local police proving that the town had approved our car show.
- Donald Healey was our featured guest.
- When the car show was over, we made sure that every last piece of litter was removed.

We always looked forward to the meets at Cape Cod. The traffic was usually horrible. The weather vacillated between sunny and in the 90's and rainy and raw in the 60's. The ride off the Cape was long and congested. Some of us dealt with over heating engines. But we still loved visiting the Cape. Do you remember those days???
