June 2011 AHCA NE President's Letter

What a cool and wet start to the Healey driving season! Have you been able to find a few nice days to a run in your Healey? Cindy and I have been lucky enough to run our cars in and around eastern MA, a couple of times. We finally put the top down on her "FROGI", last Saturday. We had a grand time at Bill and Barbara's newcomers meet on May 7th in the 100-6, as you will see, from the write up and pictures, later in this month's newsletter.

Plans for Summit, Sun & Sand 2011 are all but set with over 45 cars registered for our New England premier event. It is not too late to register and enjoy the fun, at our first ever Summit, in eastern CT. Jud Perkin's has just completed the route for the Poker Run rally on Friday morning. George Greider has organized an outstanding car event a Mystic Seaport for our car show, to coincide with an antique boat show on the Saturday afternoon. Adam Nolde has created a very interesting gymkhana, at the Holiday Inn parking lot, for the seasoned driver and the newcomer alike. The Wolf's Den at Mohegan Sun will host free music on Thursday evening. Registration is only \$70 for the Summit with most events at no charge.

On a personal note, I have made reasonable progress on the restoration of Project Lucas. The '59 Sebring Sprite replica, was received back from the restoration shop, the start of the new year, in beautiful Iris Blue paint, with a contrasting OEW Hard top, ready for assembly. Working nights and weekends, while not traveling for business, the car is now a rolling chassis, with wiring complete, and engine and gear box installed. The Datsun 5 speed with Rivergate conversion, will make purists cringe, while testing the patience and skill of the Sprite experts on hand, for the installation. The new wire wheels and tires from Hendricks Wire Wheels gives the car a great new appeal. With summer on our door step, Project Lucas will have to wait until the fall to be completed, as our time will be spent on the open road driving our Healey's, and not in the garage.

Happy Healeying! Peter

Grand Slam Newcomers Meet!

Bill and Barbara Erickson hosted the Eastern MA/RI newcomers meet at their lovely home in Canton, MA. Bill is a regular contributor to the Healey Marque magazine and a New England member for approximately 20 years but this is their first opportunity to host a club event. Barbara and Bill hit a Grand Slam with their event with beautifully sunny morning despite a wet forecast. Barbara's continental breakfast included some homemade pastries. The ladies enjoyed the beautiful Orchards and other various plants around the house.

New members Elaine Abry & Paul Kenerson made the trip south, from their home on the north shore. They have recently purchased a beautiful newly restored Colorado Red BJ8. Bill is a car detailing expert and had a great demonstration of all the products available on the market. The members were impressed with Bill's results of using a Clay Bar and Porter Cable orbital polisher on his stunning BMW. Speaking of stunning, Bill's recently restored concours BRG early Phase 1 BJ8, lead our planned drive to Wollaston Beach in Quincy. Jim Mousseau's beautiful '58 Bugeye Sprite was surrounded by a gaggle of Big Healey's, as we drove through the great windy roads of the Blue Hills reservation. Who would have known there are some great Healey drive roads less than ten miles from Boston?

Our final stop of the day was along Wollaston Beach overlooking the Atlantic Ocean with the Boston Skyline in the distance. We enjoyed a New England tradition of fresh seafood at the Clam Box for lunch. The timing was perfect for the Newcomers meet to adjourn, as the dark clouds drew closer to Boston, the members said their goodbyes and headed south towards the patch of blue sky. Cindy and I made it back home, before the skies open up.

Thanks again for Barbara and Bill hosting their first Healey event and we look forward to seeing more of them in 2011.

Happy Healeying, Peter Sturtevant
