AHCA NE May 2012 President's letter

Is your Healey ready for the spring driving season? The AHCA NE events schedule is in full swing now. Thank you to Dave Altman and Bob Abbott for hosting an excellent tech session with great ideas to improve your Healey driving experience.

During May we look forward to the newcomers/old comers meeting hosted by Mary and Dom Falconeiri. This will be a great chance to get your Healey out for driving the scenic roads of Southeastern Massachusetts. The Carlisle Imports weekend is 18th - 20th. Several New England members will be attending Carlisle again this year. If you are planning on attending Carlisle, please confirm with Steve Bell at scbell1@comcast.net, or 508 947 6499. The end of May on the 27th the Chesterwood Antique car show will take place in Stockbridge MA. Please confirm your attendance with Anita Heller anita.hellar@live.com

The plans for 2012 "Healeys on the Summit" are coming along nicely through Bob Britton and the planning committee. One of the exciting events of the Summit this year will be a tour of the John Moir Classic Car collection. This past weekend, a couple of members of the planning committee and I, had the chance to tour the Moir collection and see the cars with at least one car from every letter in the alphabet. Many of the cars are one owner vehicles from John's family, and several are the only examples known to exist in the United States, today.

As a reminder, your discounted registration fee for 2012 ends May 15th. Please visit the AHCA New England website for up to date Summit news www.ahca-newengland.com/. We already have registrations from across the region, plus from England, Canada and Pennsylvania.

I would like extend a very warm welcome to our three new members:

Larry	Totten	21 Milestone Dr	West Bath	ME	04530
John	Bonczek	9 Jefferson Ct	Uxbridge	MA	01569
Jeremy	Crigler	113 Little Brook Rd	New Canaan	CT	06840

May is a great month to get out and use your Healey. I look forward to seeing you at one of our many club events this year.

Happy Healeying,

Peter Sturtevant

13 Hitching Post Road

Lakeville Ma. 02347

No, We are not going to change your oil, we will not fix your brakes, and we probably won't even clean your windshield. This is just an excuse to get together, to drive our cars, and socialize with some new friends that we haven't met yet, and an excuse to reconnect with some old friends who we have not seen for a while. Of course we will have a Healey of "special interest", center stage, that one can kick the tires on. So please mark your calendar and join us for beverage and refreshments. A head count would be appreciated.

25 th Annual British by the Sea

Sunday, June 3, 2012 (rain or shine)

Harkness Memorial State Park

Waterford, CT

If you enjoy all cars British, you'll love the 25th annual British by the Sea auto show in Waterford, Ct. There will be 200 to 400 British cars of all makes. The seaside park with its mansion and gardens is a destination in itself so the cars you'll see there only make the venue more magnificent. It's a popularity judging event and the Healeys always make a hit with the crowd. Harkness is on route 213 in Waterford, Ct just east of New London. Use Google or Bing maps for the best directions and let's show the rest of the Brits who's the best of the show.

Collings Foundation Automotive and Aviation

Museum Tour

137 Barton Road, Stow, MA 10:00 AM Saturday,

June 2nd

The Collings Foundation is a non-profit, Educational Foundation (501c-3), founded in 1979. The purpose of the Foundation is to organize and support "living history" events that enable

Americans to learn more about their heritage through direct participation. The original focus of the Foundation was transportation-related events such as antique car rallies, hill climbs, carriage and sleigh rides, and a winter ice-cutting festival in the Stow, MA area. During the mid-eighties, these activities were broadened to include aviation-related events such as air shows, barnstorming, historical reunions, and joint museum displays on a nationwide level.

Since 1989, a major focus of the Foundation has been the "Wings of Freedom Tour" of WWII aircraft. This tour showcases two fully restored bomber aircraft: a B-24 Liberator and B-17 Flying Fortress. The newest addition to the Wings of Freedom Tour is a WWII P-51C Mustang dual-control fighter aircraft.

The Collings Foundation also has a world class collection of vehicles from: the Brass Era (1901 – 1919), the Classic Era (1927 – 1937), Celebrity Cars, Race Cars from the Indianapolis 500, Sports Race Cars, Sprint Cars, Midget Racers, Military Vehicles, Trucks and Farm Vehicles.

There is a \$10 pp Registration fee for the Collings Foundation Museum Tour

Please RSVP Peter Sturtevant by Wednesday May 30th

**The Valley Collector Car Club of CT's
11th Annual Car Show for Charity
10:00 AM to 3:00 PM Sunday July 8th 2012
Simsbury, CT**

The Austin Healey has been selected by VCCC members to be the Featured Car at this year's Car Show. Several AHCA members belong to VCCC and our cars are usually represented. This year, we will have a Special Parking Area, reserved for 15 to 30 cars. We want to try to get all the different models represented and can use our Club Model Signage as we have done so well in the past. Overflow Healeys will be parked in the general population, among the Jags, MGs and such. The Austin Healey will be on the cover of the Show Ad Book. Those who register and provide info in a timely manner will have their cars featured in the Show Ad Book.

The Event will be well promoted and always gets good publicity. There is a small entry fee of \$10 and the money is donated to charity. The VCCC is a 501c3 Corp. Dash Plaques are given to entrants as well as a popular choice judging with awards for the various classes.

The show is held in lovely, tree-lined parking lots just behind the center of town. This is next to the Farmington River and Simsbury's Flower Bridge, be sure to see it. Though Austin Healeys will be featured and given special treatment, all classic cars are welcome so there will be lot of interesting vehicles that we don't often see. Usually we have 400 to 500 cars and several thousand spectators attending. There is a rain date of July 15th.

Healeys on the Green, July 28, 2012

Mystic Seaport; Mystic, CT

Mystic Seaport Antique and Classic Boat & Car Show

- Rum Runners Rendezvous

It's on! We have had over two dozen people so far express interest in putting Healeys on the Green at Mystic Seaport again this summer. We'll form up across the street from the Seaport at 10:30 am (I'll send all registrants directions.) and drive onto the grounds in a parade at 11:00 am. We got Healeys into a lot of home videos last year that way! We'll ask people to have one person by each car for the duration of the show which will end at 2:00 pm. You can then explore the Seaport for as long as you like and leave when you wish. The cars will be judged by the public for popularity with no distinction by model -- although we will have those great posters Adam Nolde made last year showing the model features. The most popular Healey takes home a plaque. The entry fee is \$20 per car -- admits two people (a \$48 value). Make checks payable to Mystic Seaport, but mail to George Greider; 956 Brookdale Drive; Boynton Beach, FL 33435.

Saturday evening from 7:00-10:30 will be the Seaport Museum's Rum Runners Rendezvous. This is a Caribbean-themed night of food, drink, dancing and signature rum cocktails (tropical attire encouraged!). Steel drums will be played by *Pan Man Jose* and dancing music will be provided by the *Key West Trio*. Tickets are \$75 per person and must be purchased in advance by calling (860) 572-5376 or via email at advancement@mysticseaport.org. Dinner and drinks are included.

There are several hotels in the area and the Seaport has offered to let anyone who wishes to attend the Rum Runners Rendezvous leave his or her car on their secured and patrolled grounds overnight with us arranging a shuttle bus to the hotel. This would work best if we all stayed in the same hotel (and if there are enough we might get a break on room rates). Please indicate with your check if you want to take advantage of the Designated Shuttle Bus (DSB) option and I will be in touch about hotel choices. I will need to have your registration check by June 27, 2012 if you are interested in the group rate hotel/DSB option. Several people would like to graze a brunch on Sunday. Please let me know with your registration check if you would like to do that so we can make reservations.

SUMMIT 2012

HEALEYS ON THE SUMMIT

Jackson, NH July 11-15, 2012

Mark your calendar, save the dates, fill out and return the Registration Form and then book your room at the *Eagle Mountain House* Resort. The *EMH* is one of the five remaining "Grand Dame" historic hotels of the White Mountain Region, which was built in 1879 and is the perfect venue for the 15th anniversary of Summit where it all started in 1997.

The signature event of Summit 2012 will be the BBQ diner and drive up to the top of Mount Washington to view the sunset. The auto road to the top is 7.6 miles long and is paved for all but a short 1 mile section of hard packed gravel. At approximately 7PM we'll line up our Healeys (BJ9's are welcome as well) to start the ½ hour ride to the top of Mt Washington. You will then have about ¼ hour to explore the mountain or go on the optional ½ hour tour of the Mount Washington Observatory (limited to the first 30 people who sign up at registration) before the sunset at 8:30PM. At approximately 8:45 we'll start the caravan down the mountain. As the temperature difference between base and summit can be 30-40 degrees, even during the summer, make sure you bring a warm jacket or sweater for the ride. Or better yet order a *Healeys on the Summit* Fleece sweatshirt when you register.

After you have returned your Summit Registration form and fee you will receive your registration number and password via email to make your reservation at the *Eagle Mountain House*. Rates are \$99/night for Wed. and Thurs. and \$135/night for Fri. and Sat. Suite upgrades are available for \$30 per night. All rates are subject to a 9% Room tax.

For more info contact Bob Britton, healeybj7@hotmail.com or call 603-381-3158

SUNDAY July 15

- Pick up your Chinese Auction items and bid farewell to a great weekend.

Summit's Chinese Auction

One of the most enjoyable parts of our annual SUMMIT is to stroll through the auction room eyeballing all of the great treasures that await ownership! Each year, more and more items find their way to these auction tables and at times the selection is staggering! BUT, we need your help! To place the finest, rarest and most beautiful items into the auction we need YOU to consider a donation. I keep hearing about people downsizing. Well there you go! We are offering the perfect vehicle for you to help trim down on the stuff you OWN! Donate it to the AUCTION! It doesn't have to be Healey related items as witnessed by last years rush of tickets for bottles of wine, gift baskets, BBQ tools, distinctive jewelry and other "objects des art"! HOWEVER, Healey items like, NOS parts, original posters, artwork, banners, signs, handiwork etc are certainly MOST WELCOMED!

It all benefits the club that you belong to so why not take a serious moment and select something appropriate for the auction. Remember, a placard will accompany your donated item reminding fellow club members of your generosity and willingness to support our club. Don't leave your Healey treasures to the kids or a goldfish! Donate them to the club so another member can appreciate them before they leave it to their kids or goldfish!

Now that you all see how it works, just give me a call or email and I will help relieve you of that time honored item that you are tired of dusting or that has sat in that dark drawer for twenty years. Don't tell your spouse and just maybe they will buy a ticket and try to win it back for you! Just think of the excitement that could generate!

Okay, you get the idea! Give me a call, time's a-wasting and we only have so many auction tables to work with! See you at SUMMIT and don't forget to buy lots of tickets so that you can win back your own stuff or take home someone else's treasure.

Oh yes! I have been busy procuring NEW tantalizing items as well!

TENNIS EVENT SUMMIT 2012 FUN-FUN

Whether a beginner or pro please sign up, all levels welcome. We will have fun and meet new people.

The format for the event is going to be a MIXED DOUBLES-MIX UP!

"What's that?"

Each lady will draw a male partner from a hat, they will proceed to play another team who was made up the same way. Each match will consist of four games played in a no add format. After each match the ladies will pick new men partners and play the next round. The amount of rounds will be determined by how many players sign up.

If we have odd number of women to men or men to women there also may be a handicap system involved.

There will also be ways for each player to get extra points. The man and woman who has the most points at the end of the event will win \$1,000,000. Yeah don't hold your breath, but Bob has promised a great prize.

Alexis and Nick Zarkades call 978.590.6067

CONSISTENCY RUN, not GYMKHANA A great time at Summit!

As this club "ages" it appears that we have less interest each year in a good old Adrenalin pumping gymkhana and last years participation can attest to that. (I remember the days of the Cape Cod meets when we

had fifty or more "boys and girls" having a blast out at the Otis Air Force base runway.) Donald Healey once told me at a Conclave years ago when a couple of people were complaining about how hot these cars get. "We built these cars to be driven not to sit in traffic! Tell them to find some open road!")

So, this being said, in an effort to get more people to compete in a driving event and get a get some experience driving around pylons, we're going to try what is called a "consistency run". This means that you will get in your car (no helmets or seat belts required, no car teching) and start off through a fairly easy maze of cones at your own pace. Each driver will get three timed runs. The driver (male or female) with the most consistent times wins! Speed has nothing to do with winning. The only rules are that two seconds will be added to your current lap time for each cone you run over or miss by going off course. You must finish the course in less than five minutes.

No passengers allowed. They could "interfere" with the timing device. No GPS, "smart" phones or any other "device" that may help you. Be prepared to be searched if we think it's necessary! Only two door British cars at least 20 years old will run! So please sign up and come down to the North Conway High School on Saturday morning and have some fun with us!

Valve Cover Racing Update

Wow! A lot of folks will be in the valve cover racing event at "Healeys on the Summit". **We will have an 8' smooth surface starting ramp and then a 20' run-out on asphalt for the entire Valve Cover Race course.** We plan to have several categories of competition. One category will be the best looking vehicle so work hard on the details. Here are the guide lines again to keep you on track: The Summit starts in approximately **70 days**.

NEW!! Racers can be up to 26" long and not more than 16" wide since that is the width of the ramp!!!

Maximum weight is 12 lbs. All wheels must be 6" or less in diameter, **and must have a non-metallic outer surface that contacts the track.**

Wheels cannot extend beyond the front or rear of the valve cover. No mechanical propulsion is allowed.

All racers must be "home-made" No catalogue racers allowed.

There will be prizes for the fastest cars, best design, and a special event for kids. Don't wait to get started on YOUR Valve Cover Racer.

Tip: I found wheel bearings at East Coast Lumber's (Hampstead, NH) lawn mower repair shop and rental center. They had them in the main store too. They had "Snap clips" to mount the axle to the undercarriage. Bearing size 0.1250 X 0.3750 X 0.2562. \$6.75 each. I think a lot of good hardware stores carry them. I am using a stout coat hanger for axels, and CDs for wheels. Lots of options here.

Rich Ray *Valve Cover Racer Richray210@gmail.com

Summit Golfers

This year at Summit we have the opportunity to take advantage of the Golf Course at the Eagle Mountain House. This will be a "scramble" tournament for golfers of all abilities. Game will be played in foursomes where each player tees off. The best of the tee shots is selected and all players play their second shot from that same spot and for each subsequent shot. Golf clubs will be available at the Eagle Mountain golf course. We know space is limited in a Healey, so one set of clubs will be used for each foursome.

It's not too LATE to join the Golf Tournament...

If you are already registered for Summit, and would like to play, please contact Linda Hakala at linda.hakala@smiths-medical.com
