

British By The Sea gathering at Harkness Park, Waterford CT

President's Letter

by Bob Britton

With the mild winter we've been having (remember last year around this time, when we were all buried under a couple feet of snow!!) hopefully the Healey driving season will be upon us sooner than later. I'm looking forward to getting my Healey out of storage and on the road soon.

I am pleased to announce that plans are well under way for **Summit 2016**. The Summit Committee consisting of Linda Hakala, Amy Carvell, Ted Stanton, Dutcha Slieker-Hersant and yours truly has worked hard in short order to put together an outstanding schedule of events for Summit. And what better place to enjoy Summit than the Green Mountains of Vermont. Check out all the details in the newsletter or on the club's new website, www.ahca-newengland.org. If you are planning to go, which we sure hope you are, please return your registration form as soon as possible as this helps the committee in future planning. We do hope to see you in VT for **Summit at Stratton, 2016**.

The club is pleased to announce that in 2015 it raised \$2000 from its members and various auction activities for the Juvenile Diabetes Research Foundation. We want to thank everyone who donated to this worthy charity. For 2016 the club has selected the Boston University Bionic Pancreas Research program for its 2016 fundraising activities. Through the efforts and generosity of club members we hope to raise similar funds or more for this research program at BU to continue its ground breaking research in creating a bionic pancreas to help all those that suffer with Type 1 diabetes.

The next planning meeting will be held on **April 2nd** at Bentley's Pub in Sturbridge, MA. Please note that this date has changed from the previous scheduled March 26th date. With this later date maybe the roads will be free of ice, snow, salt and rain so members who plan to attend can enjoy the first ride of the season in their Healey. All members are welcome and encouraged to attend to help the "regulars" with planning activities for the coming year.

See you on the road soon,

Bob Britton
President

Bill McMahon & his 1967 BJ 8

Editor's Notes

This month we have some very interesting articles provided by members. Don't miss the great story that was originally published in Speed News magazine about Bill McMahon. Please click on the link at the end of the first page to read the full article.

As I am sitting here on a cold and dreary winter's day, my thoughts go back to the great day trips of this past year. One such wonderful event was the Essex Fall Tour, organized by VP Jud Perkins. It brought us to Essex for a private tour of the Essex Steam Train, a boat ride on the Connecticut River and to the Gelston House for lunch. For the coming driving season we have some splendid one-day events on the calendar as well as Summit @ Stratton 2016. Check out the Calendar of Events on **Page 6** of this newsletter or on our exciting new website www.ahca-newengland.org.

If you have anything you would like to share with other members, please submit your articles in **Word** document format by the **20th** day of each month for inclusion in the next month's edition.

Dutcha Slieker-Hersant,
Editor

No Country for Old Men (and their LBCs)

By Rich Ray

New England winters take a toll on owners of Little British Cars. How many times can you check to see if your trickle charger is trickling? I have seen pictures of Austin Healeys with skis strapped to the rack on the trunk, and snow tires all around driving up a steep, snowy slope but I have not driven my 3000 in the snow in the 12 years I have owned it and I don't have plans to do so any time soon.

.....I'm never sure if the heater is working when it's cold.

Rich Ray, Bob Britton & Don Margeson enjoying their coffee and conversation in front of a beautiful 100-4 that just so happens to be for sale.

Steve Malinsky joining Bob Britton & Don Margeson talking about Steve's restoration of a 1956 100-4, that is now in its second year.

Steve Banner, the owner, was eager to show off his repair and restoration shop during the 3 hours he opened his business to enthusiasts to chat in and look forward to having our cars on the road again.

You can call these folks to be sure they e-mail you about the next cars & coffee get together date, which is scheduled for March 12th.

Triumphs at the Historic Motor Sports shop: Two Triumph 2000 roadsters and a TR-6.

BRITISH CLASSIC

STORY AND PHOTOS BY BRETT BECKER

BILL MCMAHON'S AUSTIN HEALEY LOOKS LIKE A WELL-KEPT CLASSIC BRITISH SPORTS CAR — BUT IT'S SO MUCH MORE

When you see NASA Northeast racer Bill McMahon's 1967 Austin Healey at a NASA weekend, it stands out, largely because of the car's age. Nearly 50 years old, the car is a bit like a raisin in a box of popcorn. It's easy to spot.

When you hear it, however, it really stands out. Gone is wail of the 2.9-liter inline six-cylinder. In its place is the raucous of a 347-cubic-inch Ford stroker-crank engine packing 450 horsepower. How's that for a power upgrade?

Then you get up close to it and see that there are precious few stock components left on the car, including everything in and under it. McMahon built the tube-frame chassis for the car in his garage during 2008. By 2009, he had it on track, turning laps and heads, and photographer lenses.

"I've had Healeys with different V8s in them, and I was doing hillclimb racing, and I wrecked pretty badly up at Mount Okemo in Vermont," McMahon said with a deep New England brogue. "So I took some time off and decided to build a chassis with a Healey body on it, and I built this

VP Ramblin'

by Jud Perkins

Get Them on the Road !!!

I have a good friend from college days who 20-25 years ago bought a beautiful road worthy Colorado Red BJ-8. I happened to be in Columbus for an Ohio State Game and he beamed as he showed it to me in his garage. Guess what...today it sits in the same spot and hasn't moved since. I've thrown every insult I know at him to get the car on the road, hopefully this summer he'll come to Conclave in Cincinnati. However, I'm not optimistic.

Do we have members in our Club in the same situation? Our beautiful cars are meant to be driven, most mechanics will tell you the worst thing you can do is let the cars sit as they will deteriorate. I know you have reasons for not getting the car going now, but will next summer or the next summer or the summer after that.

Spring is the perfect time to get your barn/garage queens on the road. ***GO FOR IT!***

The Club is a great resource of information and mechanical skills, if you are not sure what to do... reach and touch someone (Sorry Diana). Most Club members would love to help you get that beauty on the road. Once on the road, you can participate in Club events, make new friendships and expand your knowledge base to keep the car going.

There will never be a better time than today to start. As Nike says...Just Do It!

Jud Perkins

AHC-NE Planning Meeting
April 2, 2016 10 AM – 12 Noon
Bentley's Pub
362 Main St, Sturbridge, MA

The club's 3rd and final planning meeting for 2016 will be held on **Sat, April 2nd** starting at 10AM. All club members are encouraged to attend to share their ideas on events to be organized in 2016 as well as to assist the club's Officers and Area Coordinators on other club matters.

In conjunction with this meeting there will be a planning session for all members who have volunteered, wish to help or are interested in attending Summit 2016 at Stratton Mtn, VT. If you are planning to attend Summit and would like to help out, even in a small role, please come to the meeting or let Bob Britton know of your interest. Healeybj7@hotmail.com

Last Call

2016 Membership Renewals are due NOW.

Great things that **will happen** if you renew your membership in the Austin Healey Club of America and Austin Healey Club of New England :

- ♦ You will continue to receive the Healey Marque, the AHCA monthly magazine.
- ♦ You will continue to receive the Healey Exhaust Notes, the AHC-NE newsletter.
- ♦ You will receive important messages from your Club President, all of which will help you keep up with your Healey friends, enable you to plan participation in Club events and increase your enjoyment while driving your great Healey car.

If you have not yet mailed in your renewal, please take a moment to do so.

And if you can not find your AHCA Renewal Form, just send in your \$ 60.00 and we will take care of the rest.

Please mail your \$60.00 check and the Renewal Form (with any corrections) to:

Carlisle Import & Performance Car Show – Carlisle, PA

May 20-22, 2016

2016 Carlisle - A New Beginning!

For the past twenty years the New England Region of the AHCA has been well represented at the British, Import and Kit Car Show at the Carlisle Fairgrounds in Carlisle, PA. During that time over thirty different club members have been in attendance for the weekend that features a fantastic car show, an outstanding parts flea market and a wonderful **“for sale”** car corral. Our club members have bought and sold cars, bought and sold parts, passed on our knowledge and expertise, sold regalia and passed out club information. In short, we have used this opportunity to be ambassadors for the AUSTIN HEALEY MARQUE. The best part is that we have had a great time doing it. We have brought along friends, acquaintances, pastors, fellow car nuts and anyone who wanted to experience the largest British Flea Market and Car Show in North America. Even the dead have joined us!

And we are planning to do it all over again from **May 18 - 22**. We already have commitments from the “usual suspects” and we will be joined with our Australian “mate”, Tony (Bugeye Barn) and a new face, Hans, from Holland, who is already looking forward to this unique event. It is important that we start making plans immediately because something NEW is being added this year.

Carlisle Events, the show organizers are merging two separate shows into one, larger, more spectacular event. The Performance Show will be sharing the same venue and billing with the British, Import and Kit Car Show for the first time. This simply means many more faces, more cars, more vendors and certainly... more fun. It also means making plans a little sooner.

Please contact myself, or Denny Broughel to indicate your interest in attending. Bring parts if you have them. We are always astonished by what sells! Bring your wish list, it is amazing what you will find. Bring your camera, there will be many worthy subjects. Bring your appetite, we have several favorite “watering holes”. Bring your favorite lawn chair and relax with the gang, it is always a terrific time, rain..... or shine, and lately it has been mostly “shine”! We are glad to answer any questions you may have and we are also happy to help you sell your parts!

**Hope to see you there !
Steve Bell**

**Attendants from recent
Carlisle Events
are having a great time !**

**Please give Denny Broughel or Steve Bell a call.
Denny Broughel 518 - 858 - 8877
Steve Bell 508 - 245 - 7578**

From our Technical Advisor Ted Stanton :

Have you ever wondered why we drive on the right and the UK drives on the left?
This article might answer your curiosity.....

If there is a particular subject that you would like to see covered in this section,
please let us know.

British Remain Opposed to Driving on the Right

transcript of a newspaper article from the archives of our Technical Advisor
(and used by Norman Nock of British Car Specialties in his manual)

LONDON – In the aftermath of World War II, Winston Churchill pondered the future of Europe. Among the suggestions for a united West was a proposal that Britain should change over from driving on the left to driving on the right. He turned it down flat. It was Churchill's love of history that saved Britons from that ignominy. He knew that to drive on the right would be instinctively wrong.

It's a fact which seems to have been forgotten by the European Parliament, which has just decided to look at the possibility of switching Britain to driving on the right. The ancient Greeks, Egyptians and Romans all observed a left-hand rule for marching their troops and later for driving their chariots, allowing opposing "traffic" to pass on the right. It was held that by walking on the left a man could more readily draw his sword in the event of an attack from the right.

NAPOLEON Made the Switch...

It was England's great enemy, Napoleon, who first put Europe on the right-hand side of the road. To break with history and gain a military advantage, he decreed that his armies would always march on the right and that all traffic in France would do the same.

Each country he conquered was forced to adopt the "drive right" rule to acknowledge their subordination to the emperor. The Italians belatedly adopted the system under Mussolini just before World War II as a gesture of unity with Germany. Sweden went over in 1967 because it was then isolated on a continent where everyone else drove on the right.

AMERICA drives on the right because Henry Ford refused to build the Model T with anything other than left-hand drive.

WORLD Equally Divided

Today, the world is almost equally divided in preference for a rule of the road. All the former British Empire countries like India, most parts of Africa, Australia and New Zealand, drive on the left. Former French, Spanish, Dutch and German colonies drive on the right.

Japan drives on the left and so does China, although American businessmen are trying to get them to drive on the right to cash in on the growing demand for cars.

But for Britain the changeover today would be impossible. The Department of Transport says "The cost would be horrendous – billions and billions – and we couldn't even contemplate it."

July 27-31, 2016

Mark your calendar, save the dates, fill out and return the Registration Form and book your room at the Black Bear Lodge at Stratton Mountain Resort. Stratton is one of the premier winter and summer resorts in southern VT. With its self-contained Alpine Village and majestic mountain setting Stratton is the perfect venue for **Summit 2016**. After you have received your registration number call Stratton Mountain Resort to book your room at the Black Bear Lodge. Rates are \$119/night, double occupancy. This rate includes resort fees, VT tax and hot buffet breakfast. One and Two bedroom condos are also available in adjacent buildings for \$168 and \$228 night respectively, inclusive of resort fees and tax but not breakfast. Call 800-787-2886 to make your reservations and mention **Summit 2016** to get this very special rate.

Down load Summit registration form here: <http://www.ahca-newengland.org/summitstratton-2016.html>

A preview of Summit 2016 Schedule and Events

WEDNESDAY July 27

- Arrival, Registration and Chinese Auction Begins
- Welcome Party
- Dinner on your own at Black Bear Lodge, Stratton Village restaurants or other local eateries
- Hospitality after dinner

THURSDAY July 28

- Explore historic Manchester Village and area attractions
- Drive your Healey up the 5.2 mile Skyline Drive auto road to the top of Mt Equinox, elev. 3848'

British Motorcar Festival 2016

PRESS RELEASE

Colt State Park, Bristol, Rhode Island will host the 2nd “British Motorcar Festival during the extended weekend of June 9-12th, 2016. The Main Event is Saturday, June 11th which features the one of the only two All British Concours d’Elegance in the USA (Judged Competition for British show cars 25 yrs old and older) (the 2nd is the British Invasion in Stowe, Vermont in September), plus the British Classic Motorcar Show (People’s Choice), the Race Car Paddock (a Collection of British Race Cars), the British Car Corral (Cars For Sale), British Motorcar Dealers, the British Attire Competition, the Queen’s Court featuring the Ladies Hat Competition, Various Automotive and Fashion Vendors, Food & Drink, and British Invasion Music. To complete Saturday activities we will feature a themed dinner at the Bristol Yacht Club. New this year The Concours will add a “PRESERVATION CLASS.” Full details are posted on our website along with event pictures from last year and a complete roster of Winners.

The Town of Bristol will be hosting a Fun Rally for Car Show Registrants Friday afternoon and in the evening a British Street Party at **Independence Park** from 6:30 till 9:30 PM with live music, food and beverage, and reserved parking for British Motorcars.

But why not get an early start on the weekend? Thursday Morning will feature the “Hidden Highway Hundred” Road Rally of the rural coastal and back roads of Rhode Island with a stop at a local winery for lunch and a display of British Motorcars on tour. Rally Plate and Completion Ribbons for the Entrants. Optional dinner on Thursday evening. This event was a sell out last year. This is the same route followed last year.

Thursday afternoon will feature the second flight of the “Hidden Highway Hundred.” This Rally is targeted at last year’s rally attendees in that it consists of a New Route, with the end destination still be Sakonnet Vineyard. The Afternoon Flight will be afforded the option of enjoying dinner at the Vineyard and an evening Musical Program. Details are be finalized at this moment in time.

But we are still not done! Sunday will feature a morning self-guided motor tour for the early risers. Meanwhile back at Colt State Park, we will be setting up for the Tailgate Picnic Competition, and the “Competition of Colors” where entrants vote on their favorite cars by the colors of the British Flag, Red, White, and Blue and then we add British Racing Green, Black, Two-Tone, and Rainbow (not to exclude anyone). We also feature a Driving Review of the winners from the British Classic on Saturday. The British Marketplace will be open and we will be serving beverages and food by Narragansett Bay.

For 2016, we have moved from the State of RI end of Colt State Park to the Town of Bristol end of Colt State Park to be close to Narragansett Bay and to take advantage of a pristine green flat lawn surface. General Admission for the Public is \$ 15 for a two-day pass on Saturday or \$10 for Sunday only. Car Show Registrants can download a complete registration package at www.britishmotorcarfestival.com (Please Note: we are presently putting the finishing touches on the New Registration Package and hope to have it posten soon)

*We have only received 19 orders for the car badge, I think this is sad since the profits are going to such a great cause. Therefore, if we do not receive the minimum order by the end of **March** we will cancel it.*

**40TH ANNIVERSARY CAR BADGE
TO BENEFIT JUVENILE DIABETES RESEARCH
FOUNDATION**

The club is planning to produce a car badge to commemorate the 40th anniversary of the club. The proceeds from the sale will be donated to Juvenile Diabetes Research Foundations. The badge is of high quality and will be produced by a UK company www.premierbadge.co.uk/

The cost of the badge is \$45.00 plus shipping, to place order e-mail your request to Nick Zarkades at nzdesigns@comcast.net with number wanted and shipping information.

We must have a minimum of 50 to place order. You will be notified by e-mail when ready and you be requested to send a check to Carl Carvel.

THE CLASSIFIEDS SECTION

FOR SALE :

One never- mounted black Everflex repro 100 tonneau made (as original) to Roger Moment's standards. **\$550.**

TRADE :

For a trip to Europe (or NOS 100 parts/excellent BN2 sheet metal):

One NOS early 6-cylinder right-front fender (that I've had for 48 years).

CONTACT : Rudi Markl, Rye, NY; 914 481 8555; rmarkl@optonline.net

Wanted BJ8 / BJ7

I am looking for an Austin Healey BJ8 or BJ7. I am a younger new member of the Club and would like to find a car that will fit my wife and two young boys, and will become a part of our family. I prefer a recently fully restored vehicle (within the last 10 years) but will look at older restorations to the extent they have been well-preserved and are rust-free.

I would like to find an excellent car that can be driven with pride on nice days. I live in the Boston area. Please email David at dshushan@gmail.com if you are considering selling your Healey and it fits this bill.

For Sale - 1966 3000 Mark III

\$75,000

- 1966 Austin Healey 3000 Mark III
- Matching Numbers - Heritage Certificate
- Metallic Ice Blue/Ivory Coves
- Blue Interior and Top
- 1000 miles since complete dis-assembly and restoration
- Rebuilt transmission, overdrive and rear end; new 3:54 gearing
- All components new, rebuilt or refurbished
- New 72 spoke chrome wire wheels and tires, balanced rear drums
- Full tonneau ,tool kit, jack, driving lights and badge bar
- Finned cast alum valve cover and race oil pan

THE CLASSIFIEDS SECTION

For Sale : One-Owner 1965 BJ-8

\$ 39,995.

One-owner verified 38,000 mile 1965 BJ8 for sale in Branford, Connecticut...

This is a rare opportunity to purchase a true survivor. The car runs and drives beautifully and still looks great with its mostly original paint that has weathered well because of exclusive indoor storage and minimal use through the years. Only normal maintenance items have been changed and the car is otherwise original. It comes with period photos and documents, including the original bill of sale documenting the \$25 deposit required in 1965 to purchase this car.

Restored cars are out there, but to find a mostly original car (that you can drive anywhere) is a real treat. More pictures are posted at Bugeyeguy.com, or call David at 203-561-6929 for more information.

On the website you'll also find a video drive that demonstrates that power-on oversteer is available if desired, wonderful proof that this is a very strong running car that doesn't smoke or complain.

For Sale : Wiring Diagrams for Austin Healeys

Prospero's Garage, located in Rhode Island, offers wiring diagrams for sale for classic cars, trucks & bikes in factory wiring colors. Our diagrams have helped many classic car owners make their project easier with their large and easy to read color wiring diagrams.

Each diagram is 11" x 17" and laminated to keep off grease and dirt. Every classic car owner should have one for projects or just in case. Our average diagram is under \$ 20.00 and looks great hung on a wall when not in use!

In addition to wiring diagrams for all Austin Healey models from 1953 to 1969, we also stock diagrams for many other classic cars, such as MG, Land Rover, Sunbeam & Jaguar.

Check out our diagrams at <http://www.colorwiringdiagrams.com>

Here are a few Things You Should Know about **CONCLAVE 2016** :

First Get out the Moss Motoring your recently received (issue 1, 2016 or <http://www.mossmotoring.com/featured/>) and turn to page 14.

Read the article "THIS ONE'S FOR THE LADIES" by OVAHC member Cindy Loos.

It's a great description of what is in store for the attendees that want some other options than everything cars! Give it to your significant other for a read, especially who may be resistant or hesitant about attending a week long car thingee....

Second..... Since it is winter and cabin fever may be starting to set in, think about getting a BMC valve cover from your old parts bin or getting one from eBay and build your Valve Cover Racer for Conclave. This is the perfect time to get prepared. We have Jim Cox who has been presiding over this event for 20+ years at the AHS&TC Encounters! We have double elimination to insure a lot of runs and a lot of fun.

Our goal was to have you complain about having too many things to do!!!

Please check out the web site for the full program...

<http://www.2016healeyreunion.com/index/html>

The site is next to the Greater Cincinnati Airport, so if you want to fly in and ship your car (we will be happy to help coordinate on our end), the hotel will pick you up.

Please feel free to contact us with any and all questions!
