**AUSTIN-HEALEY CLUB OF NEW ENGLAND**

## STATE OF THE (PAST) PRESIDENT

Thank you to the officers, directors and members of the Austin Healey Club of New England for all your support and for allowing me to serve as president for the last two years. I believe our club will continue to be a leader in the “preservation, promotion and enjoyment of the Austin-Healey marque” as envisioned by AHCA founders.

Austin-Healeys have enduring, iconic sports car styling, are reasonably affordable, easy to maintain and are actually fun to drive. Early Austin-Healeys came with an Owners Handbook of about seventy five pages which contained running, driving and maintenance instructions. Compare this with the hundreds of pages needed to just explain the operation of our modern, soon to be, autonomous cars. Don't even consider working on these cars. Where's the fun? Early Healeys also came with a tool kit which had

fewer tools than are commonly found in today's kitchen tool drawer. These tools are still all that are needed to perform basic maintenance and repair tasks.

I believe the Austin Healey Club of New England leads the way in member support in several important areas. Thanks to Peter Sturtevant and an international panel of experts, our club hosts both on-line and hands on technical sessions to help Healey owners maintain and repair their cars. These technical sessions are open to all AHCA members and we are seeing regular participation by members outside the New England region.

Our Summit and Enclave events which require hundreds of hours of planning and coordination by club officials have wide appeal and bring national and international Healey owners together for driving and social activities.

New England region members have reason to be proud of our outsized contributions to the Austin-Healey world. I feel honored to have been able to make a small contribution. Thanks again.

Best, BLK

# STATE OF THE PRESIDENT

*As your newly elected President I wish to thank all of you for offering me this opportunity to serve you. Additionally a big thank you goes out to Bruce Ketchen for his leadership over the past two years and for the guidance provided to me, as I step in for the next term. A big thank you to Steve Bell, our out going Club Delegate who represented the Austin Healey Club of America, New England Chapter at the National level, and a thank you to Jud Perkins who will be stepping in to continue the work done by Steve. Robert Scalla also deserves a big thank you for the efforts he is putting in to make the 2024 Summit in Simsbury, CT the highlight of the year. Watch for more details in the coming months.*

*I encourage everyone to attend the Annual Planning Meeting coming up in the next few months. This is a ZOOM online meeting, so no excuse for not attending and voicing your thoughts for events in 2024. Here is your opportunity to recommend activities for the coming year.*

*Peter Sturtevant continues to host Tech Sessions monthly, so bring your topic of interest to the event. Better still, send your topic to Peter in advance so we can find the best possible answers.*

*Your Wing Coordinator should be reaching out to you to provide updates on activities, collect your thoughts and ideas, listen to issues or concerns you may have and then present them to me for action. Don't be shy. Or you can contact me directly at [aharvey@rdi.qozzy.com](mailto:aharvey@rdi.qozzy.com) or by phone at 508.878.0165.*

*This is all for now but stay tuned for more.*

Best, Art

## Summit 2024 in Beautiful Simsbury, CT Third week of May 2024

Come join the Austin Healey Club of New England at historic Simsbury, CT the third week of May for "Summit24" at our host hotel the Simsbury Inn. An award-winning town, Simsbury is listed on the National Trust for Historic Preservation as one of its "Dozen Distinctive Destinations." Also, federally designated as a "Preserve America" community, the town features a charming downtown filled with historic homes and fine restaurants, while the farms and open space harken back to their agricultural roots. Simsbury lies in the northern end of the Farmington Valley. The east side of Simsbury, going toward the Capital city of Hartford, is flanked by Talcott Mountain, part of the Metacomet Ridge. This mountainous trap rock ridgeline stretches from Long Island Sound to nearly the Vermont border.

You may learn about everything Simsbury has to offer at <https://www.simsburycoc.com/>

## Simsbury Summit 2024 – May 20th to 24th in Simsbury, CT

Come join the Austin Healey Club of New England at historic Simsbury, CT the third week of May for “Simsbury Summit 24” at our host hotel the Simsbury Inn.

An award-winning town, Simsbury is listed on the National Trust for Historic Preservation as one of its "Dozen Distinctive Destinations." Also, federally designated as a "Preserve America" community, the town features a charming downtown filled with historic homes and fine restaurants, while the farms and open space harken back to their agricultural roots. Simsbury lies in the northern end of the Farmington Valley. The east side of Simsbury, going toward the Capital city of Hartford, is flanked by Talcott Mountain, part of the Metacomet Ridge. This mountainous trap rock ridgeline stretches from Long Island Sound to nearly the Vermont border. Notable features of the Metacomet Ridge in Simsbury include Heublein Tower, Talcott Mountain State Park, Penwood State Park, and the Tariffville Gorge of the Farmington River.

You may learn about everything Simsbury has to offer at <https://www.simsburycoc.com/>

On **Monday evening**, after the Welcome Reception at your host hotel the Simsbury Inn <https://www.simsburyinn.com/> you will have a chance to experience our group dinner (pizza, salad, wings, sodas and cash bar) at the Iron Horse Pub of Simsbury <https://ironhorsesportspub.com/> where good times and great food come together!

On **Tuesday morning**, we will have a very special day at Lime Rock Park which is a natural-terrain motorsport road racing venue located in Lakeville, Connecticut, a hamlet in the town of Salisbury, in the state’s northwest corner. Built in 1956, it is the nation’s third oldest continuously operating road racing course.

For those who would like to test their driving skills in their classic Healey, you may enjoy Track Tapas, which is a two-hour educational experience behind the wheel of your own Healey on both the FCP Euro Proving Grounds and the 1.5-mile road course. Suitable for beginner- or intermediate-level track drivers, all sessions include expert coaching from our pros. More

details are at: <https://limerock.com/drive/driving-programs/track-tapas-info/> Due to limited space the Tapas program will be available on a first come/first serve basis.

If you prefer to watch, Lime Rock provides stunning views of the track and during the lunch break, we will be offered Healey only parade laps of the track.

**Tuesday afternoon**, Upon leaving the track you will have the opportunity for a picnic lunch, before we start the fun rally back to the Simsbury Inn on some of the best “Healey roads” in the Northeast. Dinner will be on your own or with Healey friends at many of the excellent restaurants in the area, followed by hospitality back at the hotel.

**Future Exhibitions**  
Modern Day Monet – THE 1st ANNUAL JURIED EXHIBITION  
April 25 – May 26, 2024

**Wednesday morning**, will be another fun filled day, where you may choose to tour Hill-Stead Museum to see the Modern Day Monet exhibition <https://www.hillstead.org/> which is a Colonial Revival house and art museum, set on a large estate at 35 Mountain Road in Farmington. It is best known for its French Impressionist masterpieces, architecture, and stately grounds. Travel and Leisure magazine recently named the Hill-Stead museum the #1 small museum in America.

The other choice, is the New England Air Museum which is a facility dedicated to showcase the wonders of the aerospace world. Located at Bradley International Airport, it was built in 1959. It is home to 26 helicopters, 66 airplanes and other flight-related paraphernalia. More details are available at <https://neam.org/>

**Wednesday afternoon**, after your museum tours, you will have a chance to experience some of the best ice cream from the Tulmeadow Farm which started in 1768. <https://www.tulmeadowfarmstore.com/>

Once you have digested your ice cream, you will have a chance to enjoy a hayride and farm visit at Flamig Farm in West Simsbury. Check out their embedded video on their website: <https://flamigfarm.com/>

**Wednesday evening**, your fun doesn't end there, because after dinner on your own. We will have our ever-competitive Valve Cover Races at the Simsbury Inn in the Evergreen Restaurant. The VCR rules are published on our website and this event never disappoints.

Our final full day, **Thursday morning** of Summit 2024, includes both an automotive technical session and an informational session by the Simsbury Historical Society at the hotel. Late in the morning, we will be staging our cars by class for the short drive to the Simsbury Historical Society museum property.

**Thursday afternoon** will be our popular car show, where you will be competing for class honors, and the Dominic Falconeiri memorial Best of Show Award.

Our Simsbury Summit 2024 Awards Banquet will be in the Simsbury Inn, Laurel Ballroom followed by hospitality in the hotel's Evergreen Restaurant.

There are two nights with dinner on your own, where you can experience the diverse culinary landscape of our award-winning food and drink scene in Simsbury. With farm and sea to table, Italian, international cuisine, classic pub fare and an array of sweet shops,

We look forward to seeing you the Third week of May for "Simsbury Summit 2024." Registration and tentative schedule will be published shortly.

# First Hands-on Tech Session of 2024

*Bruce L. Ketchen*

It was a full house at Peter Sturtevant's Garage in Mansfield, MA on January 3rd for the first Austin-Healey Club of New England, hands-on tech session of the year. Fifteen members and guests gathered to continue work on a Bugeye Sprite project owned by member Frank Jacques. Frank's Sprite was partially disassembled years ago and has been in dry storage since. The goal is to get the Sprite running in preparation for sale. In the previous tech session participants freed up a stuck valve, secured the motor mounts, cleaned, and adjusted the ignition points and installed the carburetors. While the engine work was being done, another crew attacked some knackered sheet metal at the rear of the car. When a temporary fuel supply was installed, it became clear that the carburetors needed rebuilding. They were shipped overnight to AHC-NE member and ardent club supporter Bob Abbott, British Car R&R, Ipswich, MA for rebuilding. Bob quickly turned the carburetors around and they were back in time for the January gathering where they were installed after which the engine started and ran quite nicely. Participants at the January tech session also partially disassembled an early 100-4 engine to evaluate its condition. The engine was mounted on a stand, the head was removed, and cylinders were cleaned and inspected. The bottom end will be inspected at the next gathering. At this point, the crew did some clean-up and prepared to go to lunch at nearby Kelly's restaurant where the fun continued over good food and spirited conversation. Plans are already set for the next and final session on Frank's car where a fuel line, exhaust and cooling system will be installed. Hands-on technical sessions are open to members wishing to participate. Watch for the announcement of the time and date and be sure to pre-register with Peter.

*Restored carburetors by Bob Abbott of British Car R&R.*

*Head removed from 100 Block*

# Help Wanted!

## Coordinators for Wing 1 (NYC, SE NY, and SW CT)

The Austin Healey Club of New England (AHCNE) is the largest club affiliated with the Austin Healey Club of America with over 350 members, and the largest geographic area. In fact, AHCNE welcomes many members who live outside the six New England states. In order to facilitate in-person meetings and gatherings AHCNE has been divided into seven geographic areas or Wings. This division was initially established using USPS area Zip Codes, but was not intended to create boundaries. ALL Wing activities are open to ALL AHCNE members. For organization and administrative purposes, a volunteer Wing Coordinator position was established for each Wing. The Wing Coordinator is not an activities director, but rather a facilitator and information resource for new and old members. Subject to annual appropriation, a small budget is available to the Wing Coordinator to facilitate gatherings and can be used for reimbursement of certain Wing expenses. The following is not a formal job description, but rather a list of activities where Wing Coordinators can be most helpful to the club:

- Welcome new Members and introduce them to club website and resources.
- Assist members in planning and advertising Wing tours.
- Facilitate member networking.
- Promote two-way communications with club Board of Directors.
- Identify and recruit members to assume leadership roles within AHCNE.
- Encourage members to organize periodic breakfast or dinner gatherings and bring guests.
- Remind members to promote AHCNE at local car events.

Thank you to your current Wing Coordinators and please reach out to them for ideas for events in your Wing.
