

PRESIDENT'S LETTER

BY BOB BRITTON

This will be my last letter as President of the AHC of NE. It has been an honor and pleasure to have served the club in this position for the past 3 years. I want to thank the other Officers, Area Coordinators and all the members of the club who have been so supportive during my tenure as President. I could not have done it without the help of these dedicated club members and friends.

I am pleased and enthusiastic to announce Jud Perkins as the next club President and Denny Broughel as our new Vice President. Please join me in wishing them the best of luck as they take on their new roles in January. Jud has done an excellent job as VP during the past 3 years and Denny has been a very active member and Area Coordinator for a number of years. They both will be looking for your support and help as they guide the club forward in a new direction.

That new direction is the recent creation of the 7 regions or **Wings** within the larger geographic area that encompasses the AHC of NE territory. This new regionalized concept was created to help promote more localized events and activity in each **Wing** or region so more club members and spouses could enjoy getting together with like-minded Healey enthusiasts without the need to drive long distances. While the Wing concept is just in its infancy, with your support and participation it surely can grow to the point that more club members can enjoy the camaraderie with other members in their local area.

Later in this issue you can read about several initial meetings in several of the new Wing regions that many enthusiastic members attended to "sow the seed" so to speak in their region. Remember, it's not about the cars but rather the people that make this club a success. So, please join in at meeting, an event or gathering in you region in the coming months and years.

Planning for Summit 2017, "**Healey's in the Berkshires**", is well under way. The dates will be Sunday June 25 through Thursday June 29th. So mark your calendars and plan to attend the 20th anniversary of Summit. More details will be announced in the next edition of the Healey Exhaust Notes.

PRESIDENT'S LETTER

BY BOB BRITTON

As for my plans in “retirement” I have some much needed and neglected work to do on my BJ 7 after 25 years and some 70K miles since it was first put on the road after its initial restoration. First up to replace is the front chassis cross member, which has become a victim of rust and corrosion. In order to do this job properly I plan to pull the engine as I also recently discovered a slipped engine mount which has caused my engine to slant a bit to the side. And while I have the engine out I will also be replacing the clutch and tidying up the engine bay a bit. And I expect there will be some other things to do with the “while you’re in there” syndrome. Hopefully I will have my Healey back on the road to enjoy some early spring events.

Don’t forget to make your reservations with Len Bach by December 2 if you plan to attend the annual Holiday Party in Sturbridge. This is always a fun time especially with our very own Santa show.

And finally I want to announce that the Annual Business Meeting and formal election of officers for the next term will take place on **Saturday January 14th in Sturbridge, MA.** This meeting is open to all members and everyone is encouraged to attend. look for further notices regarding the time and location.

**See you on the road,
Bob**

Sat. March 11	AHC-NE Planning Meeting		Jud Perkins judperk@comcast.net

VP RAMBLIN'

A special thank you should go to Bob Britton and his mate Linda for the leadership they have provided the Club for the last three years. As I get ready to become President next year, I am already realizing how much there is to do in shepherding the Club.

Bob's participation on the Enclave committee headed by past President Peter Sturtevant helped make the national event one of the best. Summit 2016 in Stratton was a huge success with over 50 Club members participating. Bob's set a great example for all of us and a collective thank you from the entire Club is in order.

As we prepare for the holiday season it is time to say thank you to all club members who have been a part of the Austin Healey Club of New England. Whether you have hosted an event, worked on a committee, participated in an event or been one of our silent members we all say thank you for you the members make the Club.

Have a Merry Christmas and wonderful holiday season,

*Thanks,
Jud*

*Our very own
Santa & Mrs. Claus*

Don't miss out on the fun of spending an evening with Ol' Saint Nick- see page 4

Steve Bell has provided a report on the national delegates meeting recently held in Indianapolis. Please visit our website to read the full report.

Wing Coordinators, I look forward to publishing your event announcements and reports

We are happy to welcome our new members this month:
Scott & Susan Foushee from Westport, CT

On Page 13 check out the preview of the Canadian Rockies Tour article by Pete Sturtevant. The full article is posted on the website in a special edition of the newsletter

Enjoy the Holiday Season !

Editor's Notes

December 2, 2016 to:
Leonard Bach, 192 Bald Hill Road, Tolland, CT. 06084-2518

Any questions? SummitM9@aol.com or (860)875-8855
Please make checks payable to "AHC of NE"

This is a fun time! Reserve early, room space is limited

**WING 5 HOLIDAY BRUNCH &**

**Sunday, December 4, 2016
10:00 AM**

Wing 5 (North Shore & Eastern MA) invites our New England Region members to join us for coffee and pastries at Mike Garvey's Swampscott home prior to taking a short drive to nearby historic Marblehead for the *Marblehead Christmas Walk*.

The Christmas Walk is a signature event that captures the warmth of Christmas throughout town. This is a time when Marblehead's Historic charm shines bright and the festive spirit of the holidays provide a truly enchanting experience. Now in its **46th year**, more than 80 local businesses and stores will bring residents and visitors alike the most spectacular Christmas Walk ever!

This will be a perfect opportunity for Eastern Massachusetts, NH and RI members to get together for the holidays and do some shopping at Marblehead's shops and artisans. Seasonal entertainment is provided throughout the town. For a complete overview download the brochure here:

http://www.marbleheadchamber.org/documents/2016_Xmas_Insert.13_booklet_for_web.pdf

We'll meet at Mike's at 85 Monument Avenue Swampscott, MA Tel: 781-595-4978. You may park on the street or in the driveway, but please leave the right side of the drive circle free so that Mike's tenant can come and go easily. There is also parking at the top of the drive, near the garage. House entrance is at the back.

**Please notify Mike by Friday, December 2nd if you intend to join us: r3m1g4@verizon.net
A contribution of \$5 for the refreshments will be appreciated.**

WELCOME To Our New Members

FIRST NAME	LAST NAME	CITY	STATE
SCOTT & SUSAN	FOUSHEE	WESTPORT	CT

We look forward to seeing you and your Healey at this year's events.

**A FEW CLUB BADGES
STILL AVAILABLE**

The proceeds from the sale will be donated to the club's charity.

The cost of the badge is \$45.00 plus shipping, to place order-mail your request to Nick Zarkades at nzdesigns@comcast.net with number wanted and shipping information.

**When you need help
with your Healey...**

Call us. We can do the work for you, or work side-by-side with you. A local shop with 2 decades of Healey experience. Transportation available in an enclosed trailer.

Call Bob at 603-425-3333 or 978-238-8810

We service all the British marques

Connecticut River Rally & Cruise

Twelve Healeys zoomed up and down the shores of the Connecticut River on a perfectly crisp autumn Saturday, September 24th. We met in mid-morning at the Connecticut DEEP's Marine Headquarters in Old Lyme where most folks wandered out onto the pier that extends southward into the marsh at Great Island. The 'rally' part of the day consisted of a drive north along Route 156 to twisty Joshuatown Road and River Road, before crossing to the west side on the Haddam-East Haddam Bridge. The drive south passed through picturesque Haddam, Chester and Deep River, before our stop for lunch. Member Frank Motta from Westport, MA noted that he missed all of the sights along some of the beautiful roads because he had to pay attention to driving! A measure of success . . .

Chef Michael fed us a hearty lunch at the Essex Yacht Club where twitter feeds were abuzz at the sight of twelve Healeys in the parking circle

Connecticut River Rally & Cruise September 24th 2016 - OLD LYME, CT by Tom Klin

Connecticut River Rally & Cruise

After lunch, we made the very short drive to the Connecticut River Museum, parking in a row on the upper lawn where more Healey stalkers wandered off the street to inspect and photograph our lovely cars. Our group then sailed in Essex Harbor aboard the **Mary E.**, a 75' schooner built in 1906, before ending the afternoon for a couple more hours of story-telling and Healey massaging at the Essex home of event hosts Barbara and Tom Klin.

Thank goodness for the weather-gods, the day was a success and most importantly, no one was separated from the group!

A happy group of Healey members, all smiles after a great day on and along the Connecticut River.

AHOY, There! Carolyn Bach at the helm with Len at her side— checking the sails on the Mary E.

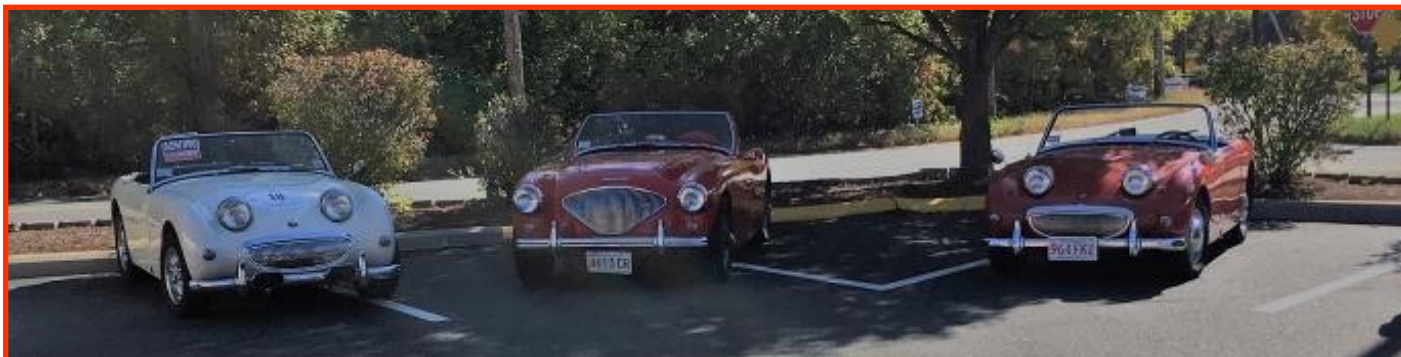

Our Hosts of the day, Barbara & Tom Klin.

Connecticut River Rally & Cruise

Regional Report by Steve Bell

On Saturday, October 15th, seven members of HEMRI, the area 4 section of the New England Region AHCA, gathered at Apazidis Restaurant in Middleboro, MA. This was the second gathering for this group and once again we saw a few new members join us for breakfast and a great time of visiting. If I recall correctly, we talked about carbs, as in the carb counter breakfast; we discussed travel plans of members to Cambodia and Hawaii; we chatted about area car shows; we discussed setting a date and moving the site for our next gathering. There were six area members who sent their regrets for this gathering, but hoped to join us next month.

What was especially cool was that five Healeys made it to the gathering - just a reminder that BJ9's are welcomed as well! Out of the 5 that made it, 3 were Bugeyes - how often does that happen! There was great discourse on culinary delights, such as creamed lobster. A few of those present are also boat owners, so there was some sharing of the trials and tribulations surrounding the changing of regulations regarding moorings. We had a fun time discussing tractors, gardening and preparing for the coming winter. So you see, it's not just about kicking tires and polishing our chrome. These gatherings have been really helpful in learning more about the members rather than the cars.

Read more on **PAGE #** about the next gathering of HEMRI on **Saturday, November 19th**, a breakfast gathering at **Good Days in West Bridgewater, MA.**

HEMRI members pose for a group picture

So, once again, thanks for emailing me showing your interest. I still have not heard from about 25 of our area members and it would be fantastic if you made the effort to join us - at least one time. Look at the calendar and plan ahead. We chatted for about 2 hours and then returned to the parking lot where a few photos were taken.

***Hope to see you at our next gathering
Steve Bell***

***Anyone with questions about HEMRI
may contact Steve Bell at 508-947-6499 or email scbell1@comcast.net***

Car show at AppleCrest Farm Hampton Falls, NH

Oct 16, 2016

By Duane Walzer

The AppleCrest Farm Harvest Festival was mobbed with visitors and families with their young kids. Especially considering that the show was cancelled due to rain the previous weekend, the weather couldn't have been better.

The Farm sponsored the car show. There was a good selection of approx. 8-10 other cars, along with 8 Healeys. (One Bugeye left before I took its picture.)

Although most visitors were perhaps more interested in apples/pumpkins/rides & more, people were impressed with the cars and they attracted the usual attention. As always, it was good to meet and talk with club members, and non-members too.

Wing 6 Meeting – November 5, 2016

Wing 6 held our first meeting at **Blakes Restaurant** in Manchester, NH on Saturday, November 5th at 9:30 AM. From the responses received after a preliminary correspondence, Manchester looked like a very central location for most of the group and 9:30 seemed a reasonable time. Eight group members were able to make our first gathering.

We opened with an explanation of the group concept and the reasons for trying to work in smaller geographic units. Everyone was on-board with this idea and favored this approach. Bob Britton had sent some suggestions for locations we might consider and ideas snowballed from there.

Looks like there are more venues in New Hampshire than I ever knew about, but when many minds gather, the suggestions flow. Don Margeson suggested that we specifically include wives in a later meeting so they could be drawn into the planning process. It was agreed that a luncheon meeting would be better for this. We all felt that the ladies input would be very helpful and their thoughts valuable.

With ideas ranging from a "track day" at the new road course in Tamworth, NH, to the Blues Festival at Sebago Lake, Me., to something as simple as a weekday "loafers lunch" drive, we will look into more details for these as well as other ideas.

Plans were made for our next gathering in eastern NH after the first of the new year and to try move the location around to make it more convenient for others to get there. Eight participants was a good start but I also had many more respondents who said they liked the "Group/Wing" idea and would be interested in attending our meetings if kept informed.

Bob Abbott
Wing 6 Coordinator

Canadian Rockies Tour – September 2016 – the New England Seven

By Pete Sturtevant

Over a year ago, seven couples from AHC New England started planning another Healey odyssey across the Canadian Rockies. This group has toured beautiful areas across North America and Europe in the past. This will be the first Healey Tour without our leader Dominic Falconeiri, who we lost in 2015 and who was one of the founding members of this group. Dom's brother in law, John Kelley has picked up the mantle to help assure the group continues the tradition of great Healey adventure tours. We had toured the US Rockies two trips in the past and were all very interested to see and experience the Canadian Rockies.

We chose to start our trip in Whitefish, Montana and end up in Seattle two weeks later. Our truck driver does not have Canadian operating rights, so starting and ending in the US was required. We made the decision to focus on Alberta and British Columbia for our trip and to avoid the big cities in both provinces. Our planned drive was 1200 miles with ten destinations traveling as far north as Jasper National Park in Alberta.

To keep our family and Healey friends in the UK aware of what we were doing, I wrote a daily blog of the adventure and posted on Facebook with pictures and the experiences of the day. This article consolidates the two week adventure into a single chronology of events.

The Healeys lined up in front of the Good Medicine Lodge, Whitefish, Montana

HUNGRY FOR THE ENTIRE STORY? PLEASE READ MORE IN THE SEPARATE "CANADIAN ROCKIES TOUR" EDITION OF THE HEALEY EXHAUST NOTES, POSTED ON OUR WEBSITE.

CHECK THIS OUT :

THE ULTIMATE FINAL TOUCH TO NICK ZARKADES' FROYEYE RESTORATION—YOU JUST GOTTA LOVE IT !!!

WING 5 – 1ST MEETING November 19, 2016

Take a beautiful fall morning, add some tasty pancakes and some Healeys and you have the ingredients of Wing 5's first official meeting held at the Village Pancake House in Rowley, MA on November 19th.

In attendance were Dave Altman, Group 6 Coordinator Bob Abbott, Mike Garvey, Nick Zarkades, Larry Swift, Tom and Judith Ann Webster and relative newcomers, Ken Cantrell and Tom Gould.

After fortifying ourselves with pancakes, eggs, toast, eggs benedict, corned beef hash, bacon, ham and, in Bob Abbott's case, more pancakes, as he opted for the "full stack" of apple-cinnamon pancakes, we got down to the "business" portion of the breakfast.

First up was the "Holiday Brunch and Marblehead Christmas Walk" to begin on Sunday, December 4 at 10:00 am at Mike Garvey's house in Swampscott (An email blast was sent to all club members about this event and details are provided there as well as on the club website). We'll be having coffee and pastries at Mike's, followed by the short drive to Marblehead where we can stroll through the town, do some Christmas shopping and enjoy the holiday events.

Discussion was had with plenty of input for the 2017 schedule that covered three main areas: regular meetings; events geared mainly to Wing 5 members (although open to all club members); and events expected to bring in members from throughout the New England Region.

Regular Meetings – Next one is likely to be in January with a location further south for the convenience of the non-North Shore members. Saturday morning or early afternoon seems most likely. Any suggestions for a location would be appreciated.

A place where we can have a separate room is nice as it lends itself to the "business meeting", Nick Zarkades suggested a regular get-together once a month during the car show season at the Liberty Tree Mall on Wednesday nights.

Wing 5 Events – There was unanimous support for casual, one-day events. A repeat of the NH/Southern Maine tour of a couple of years ago was well-received. Likewise, the idea offered by Dave Altman to post a message that some of us would meet for lunch during the middle of the week and whomever is available could reply and we'd just meet-up.

Wing 5 Plus Events – Dave Altman proposed a great event for a cold February day, a discussion of classic vehicle appraisal by Tom Mannetta of Legendary Motors in Beverly to be held at Dave's shop in Ipswich. Look for that one to be happening. Once polo season begins, a day of tailgating and polo at the Myopia Hunt Club in Hamilton are on tap. Tom Gould suggested attending one of the Bass Pro Cruise Nights in Foxboro. His description of an event with thousands of cars made most of the North Shore guys' mouths drop and we agreed to enter into negotiations with the HEMRI group to make it a joint event. Also, look for a joint autocross with the Jaguar Association of New England.

Regional Report by Rick Neville

Upcoming - Check out the New England Region website for the Wing 5 Christmas Walk and New England Region Holiday Party: <http://www.ahca-newengland.org/>

Wing Commander News – The BJ7 Nasty Boy got a role during the marriage of our son, Brian Neville-O'Neill to Emily Ryan on 10/23 in Ipswich. Below are some pics.

HEMRI Meeting - 19 November 2016

Good Days in West Bridgewater, MA

The skies were definitely overcast, but no rain was predicted and the 40 degree temps did not stand in the way of several members bringing their Healeys for the 3rd HEMRI breakfast gathering. The back room at Good Days was soon busy as 14 Healey club members decided getting together on this day was a good idea. For some it was a last minute decision, but that was just fine. As you might expect, there were a lot of introductions for first timers or for folks we hadn't been seen in a while.

Interestingly enough, ALL three club members who live in Westport, MA made the trek. Two Healey owners who both live in Marshfield, got to meet and swap stories for the first time. Seems they only live a few miles from each other. Having no agenda seems to be a great idea as there was never a lack of conversation. There were, of course, the Healey stories; a water pump that has to be replaced, a soft top that has to be fitted, a brake reservoir which needs to be cleaned and painted (don't they all need that?) and a heater that works!

Good Days features something known as “baked pancakes” and several of the Healey crew decided to opt for one of the specials, some with apple, some with blueberry and some with peach!

Even though it had been a chilly ride early in the morning (FIVE Healeys made it - 3 with the top down) the hot coffee and warm conversation soon had us all feeling quite happy

*Bob Hampson gets served first while Jim
← Constantine hears about the “Spice Rally”
that was held in Thailand and Cambodia.*

While waiting for our breakfast to arrive, Steve Bell passed out a newspaper article on Toad Hall in Hyannis, where Bill Putnam keeps quite a few collectible cars, which are all painted red. Bill and Barbara Erickson volunteered to head up a day outing come April, so we can visit their “digs” in Falmouth and visit the museum of cars, cats and whiskey bottles - all still full!

Then, discussions centered on recent travels. Bob Hampson was just back from Cambodia and brought information back about the “Spice Rally”, a rally over dirt roads for 25 historic cars that rally through Thailand, Cambodia, Myanmar and Vietnam. Even a Big Healey was pictured!

Regional Report by Steve Bell

Inside the Good Days Restaurant in West Bridgewater, MA

Left, front to back : *Bob Hampson, Norman Lamontagne, Frank Motta , Martin Filardi, Steve Bell, Hugh Callahan and Ken Glidden*

Right, front to back : *Jim Constantine, Bruce Ketchen, Jane Ketchen, Stew Berry, Sue Bell, Bill Erickson and Barbara Erickson*

As everyone got to learn about their “neighbors” it was interesting to find out how many of us grew up in the same neighborhoods or went to the same schools. Weymouth seems to have been a favorite breeding ground that spawned several current Healey owners. Discussions concerning remembered classmates and school events as well. Speaking of Weymouth - we need to remind Rick Neville that WEYMOUTH is on the South Shore and he should NOT be recruiting our members!

Seems Bruce & Jane Ketchen got an invite to join Rick’s area in Rowley! They felt honored but opted for our local gathering. I didn’t know this WING concept was going to turn competitive! I’m going to have to get on the stick. I bet Rick already has his Wing Commander jacket!

Bill Erickson shed some light on the new motorsport track in Palmer, MA. Evidently the SCCA is sponsoring track days throughout the year and anyone can come to the track and pay a small fee and take a run - or two! There seemed to be some interest in taking part in that. So Bill will get out more information as it unfolds.

Kudos have to go to Hugh Callahan who came to be part of the fun, despite the fact that he and his wife, Marge, had just moved into a new home (downsized living space - upsized garage space!) and Marge was at home unpacking boxes! Not sure who needed the space this morning!

We learned that Jim Constantine is a slave cylinder hose away from firing up his Sprite project car and Stew Berry is restoring a fabled Moto Guzzi motorcycle. Steve Bell just took apart the rear suspension and rear axle from an Innocenti parts car and Hugh Callahan took his Healey out of five years of storage so he could drive it to the event and then to its new home in the BIGGER garage! Good planning on his part!

Regional Report by Steve Bell

After complaining about eating too much we adjourned to the parking lot - where tons of tire kicking, engine bay scrutineering and more car conversation unfolded. Nobody seemed to be in a hurry to leave. We could not arrive at a date in December to gather, so we all said our goodbyes and wished each other the best of holidays, meaning Thanksgiving and Christmas.

The opinion expressed seems to be that everyone is enjoying this new concept of gathering monthly and we will continue to do so in January.

Steve Bell, Wing 4

Stew Berry and Bill Erickson in a heated discussion—about what? You'll have to ask!

Norman Lamontagne checking out the hardtop on Steve Bell's Bugeye. The big Healey's belong to Hugh Callahan and Martin Filardi

Scrutineering engine bays—Bruce Ketchen (L) and Norman Lamontagne (R) look on as owner Bob Hampson explains why he needs to clean and repaint his brake reservoir.

THE CLASSIFIEDS SECTION

FOR SALE :

1959 Austin Healey 100-six, BN4

\$27,500

- Same owner last 20+ years.
- Runs flawlessly.
- Complete mechanical rebuild, with less than 200 miles (motor & transmission/overdrive)
- Interior is very clean and was replaced as part of a complete restoration several years ago.
- This is a solid "driver", but it does still need some work.
- The convertible top needs replacing (I have the original one)
- I also have the window frames for each door.

The speedometer and tach need repairs, as the needles fluctuate (\$ 200 ea @ Nisonger Instruments)

**Please contact John Murray
murent2001@gmail.com or 860-668-0335**

1.2

Lempert 3:53 rear end gears are all gone now. The gears now come from England.

A little more money, but still well worth the conversion for peace of mind when your Healey is on the interstate. I can replace the gears in your rear end (takes about a week) or have a rebuilt rear end ready to swap into your car in about 4 hours. The complete job is now \$ 1,400.00 either way.

Also able to handle most any mechanical work your car may need to make it through the summer driving season safely. Labor rate is \$ 35.00/hour. Please ask for references.
