

## PRESIDENT'S LETTER

BY JUD PERKINS

<http://www.ahca-newengland.org/>

***Ever been stumped on where to find a part or service for your car? We now feature a Service and Parts Resource Guide in the Members Only Section of the Club Website.***

I start this month's letter with our Website address. Peter Sturtevant as Webmaster has built on the work of our earlier Webmasters to make our Website an even more valuable resource for the Club.

The homepage provides a quick look at upcoming events, but clicking on the three bars at the top of the page opens the door to lots of valuable club information.

In the Public Section the site features:

- Information and a Registration form for Summit 2017 – Healeys in the Berkshires
- Back issues from 2005 of our Club Newsletter, Exhaust Notes
- An extensive calendar of upcoming events in each Wing for the next several months
- Information on how new members can get their Club nametags
- A listing of the Club's officers and Wing Coordinators
- Pictures from Summit 2016
- Members Photographs
- A Club History

The members only section, Password "healey" features:

- A 10-page Service and Parts Resource Guide that list companies that provide just about any service imaginable for our cars.
- The Club's By-Laws
- Minutes of Annual General Meetings

Congratulations to Linda Hakala who was recently selected by the Board as Coordinator of Ladies Programs for the Club. This position was approved at our January General Meeting as the attendees felt it important to have someone representing those often sitting in the right-hand seat in developing events that will have appeal to our women members. Feel free to give any ideas and suggestions to Linda at: [linda.m.hakala@gmail.com](mailto:linda.m.hakala@gmail.com)

**Still time to register for *Healeys in the Berkshires* Summit,  
June 25-29 at the Jiminy Peak Resort.**

***HAPPY HEALEYING.***

***JUD***

**I would like anyone in the Club to feel free to contact me  
with thoughts on how we can make your Club better.**

## VP RAMBLIN'

Well it's May, and it's time to blow the dust off our beautiful classic cars, and look for those pesky new oil stains on the garage floor. Checking or changing your engine oil (20-50 wt), transmission oil (30 wt), brake fluid reservoir, and radiator.

Maybe you should rotate your tires, and while the wheels are off look for any leaking wheel cylinders. It would also be good to pull the brake drums and inspect the shoes or pads.

May 14<sup>th</sup> is also Mother's Day, my male friends let us not forget that date.

May is also the Carlisle Import & performance car show. Carlisle is a club sponsored event, and if you're interested in coming with the Carlisle crew please call Steve Bell for any needed information.

*Now is the time to fire up our cars drive them like you stole them.*

**THANKS,**

*DENNY*

- ♦ This month Jim Begin, long-time member and owner of a gorgeous BT7-II, passed on a trick you can use in case of an emergency. This was originally submitted by Denny Rawling of Ehrenberg, AZ and published in the Farm Show Magazine.

***"When a 12-volt pulsating fuel pump quits working, they generally pulse in but not release. I figured out I could install a 12-volt turn signal flasher unit in the positive lead to the pump and it will work again. If you want it to pump a little faster, just install a 6-volt flasher unit."***

- ♦ New Technical Director Peter Sturtevant will be hosting monthly technical conference calls. He and members of the Technical Committee, Bob Abbott, Steve Bell, Paul Dunnell, Rick Neville and Ted Stanton will address a great variety of subjects, all geared to help you maintain your Healey

**JUNE 17, 2017**

The “**Rallye for a Cure**” puts you behind the wheel of your classic sports car for a great cause!

The Connecticut Vintage and Classic Sports Car “**Rallye for a Cure**” is holding its third road rallye to benefit the Juvenile Diabetes Research Foundation (JDRF). Starting at Jaguar Hartford, 133 Leibert Road, Hartford, this rallye will wind its way westward through the beautiful country road of Connecticut. The rallye will culminate at the Lime Rock Park with parade laps on the big track.

Enter as a team (driver and navigator) and enjoy a Game-Tour-Adventure (GTA) Rallye — a fun drive with a need for a keenly observant navigator! During your drive, record information about the route in a scavenger hunt style rallye which is fun for all ages. Enjoy the beautiful countryside while supporting a worthy cause!

JDRF is the leading global organization focused on Type 1 Diabetes (T1D) research. Our rallye will make a dramatic impact for the CT/MA chapter of JDRF as it moves life-altering research out of the lab and into human clinical trials. Forbes rates JDRF a “top ten pick” for non-profit investment, and JDRF's expenditures directly support diabetes research and research-related education.

In the past four years, the Rallye has raised over \$40,000 to benefit Juvenile Diabetes Research Foundation! **Please see our rallye website (<http://goo.gl/U8VBmA>)** for further information and registration. **Join the fun at Connecticut's 2017 “Rallye for a Cure!”**

## Austin Healey Clam Bake

Saturday, July 15th – 2:30 pm

at the home of  
Amy & Carl Carvell  
12 Spray Rock Rd.  
Weekapaug (Westerly), Rhode Island

On the morning of Carl & Amy's Clambake, we're meeting for a Healey Car Show at the parking lot at the Olde Mistick Village at 10:00 AM. It's located at exit 90 off I-95, right next to the Mystic Aquarium. There are over 30 quaint shops in the walk-able village and, of course, the aquarium itself is a wonderful experience. We'll have a popular judging while others are enjoying the area.

At 1:30 PM we will caravan to the Clambake over scenic back roads to arrive by 2:00 pm at Carl & Amy's home in Weekapaug, RI.

You are welcome to attend this event whether or not you are joining the clambake.

When you leave the Olde Mistick Village and Healey Car Show travel along the coast to Weekapaug for a traditional New England Clambake.

Take a walk on the beach, swim or chat with friends. We will start the traditional Rhode Island bake about 4:00 pm which will give you time to get home before it is too late! The cost is \$45.00 per person and includes lobster, clams, corn on the cob, sweet potato, white potato, fish and sausage.

**The Clam Bake event will be limited to the first 40 people who  
RSVP to the Carvells.**

**RSVP : Please let the Carvells know if you will be coming ( see below )  
and just bring your check with you.**

**This is a BYOB party!!!!**

**BRING YOUR OWN BEER or WINE!!**

**RSVP to**

**Amy Carvell at [abcarvell@gmail.com](mailto:abcarvell@gmail.com), Carl Carvell at [cgcavrell@gmail.com](mailto:cgcavrell@gmail.com)  
or call them at 401-322-7741.**

**Directions will be available at the Olde Mistick Village.**

### **TIME FOR AN INSURANCE CHECK-UP?**

You've checked your battery, tire pressures and oil level and think you're all set for the Healey driving season. Not so fast. The twenty-five North Shore Wing members and guests at the March 25<sup>th</sup> Appraisal/Insurance Session learned that it might be a good plan to check your insurance policy, too.

According to Hagerty Classic Car Insurance agent Steven Mollohan, president of the Georgetown (MA) Insurance Agency, dedicated classic car insurance companies can offer better coverage at lower prices than standard insurance writers. But it's important to know there are different coverages for different policies. Mollohan explained the difference between an "agreed value" and "stated value" policy, where under an agreed value policy the insurance company agrees in advance to a fixed amount the company will pay out in the event of a total loss. In a stated value policy, on the other hand, the company agrees only to the maximum it will pay out, but does not specify an amount in advance.

Another important point mentioned was the "usage exclusion clause". Even though some companies advertise "unlimited mileage," many policies contain wording to the effect that usage is limited solely for use in exhibitions, parades, club activities or other functions of public interest.

According to Mollohan, Hagerty's policies do not contain such restrictions. This might be something to remember if you take your cars on Sunday drives that don't fit into the restrictions mentioned in your policy.

Determining the amount to insure your car isn't always easy, but Tom Mannello, Jr. of Legendary Motorcars of Beverly, MA, a trained vehicle appraiser, was on hand to offer some advice. He recommended a professional appraisal be done every 3-4 years, or even sooner in the event the market for a car is particularly hot. In addition to providing appraisals, a business such as Tom's connection to the nationwide Auto Appraisal Network can provide pre-purchase inspections and purchase assistance throughout the United States.

The meeting also showed the benefits of the Wing structure. On hand at the event at Dave Altman's and Bob Abbott's location at Altman Distributing in Ipswich, MA were guests from several local clubs including the Jaguar Assoc. of New England, MG Club, British Car Club of NH, and even the Cadillac club.

## AUSTIN HEALEY CLUB OF AMERICA CONCLAVE

### CONCLAVE 2017, *the video:* [www.ahcaconclave.com/video](http://www.ahcaconclave.com/video)

The city of Waco has 17 museums and historic homes. It is the 22nd largest city in Texas with a 2015 US Census population of 132,356. Last summer, the Conclave chair and co-chairs went to Waco to explore. Coming from Houston, the 5th largest metropolitan area in the US; from Dallas/Ft Worth, the 4th largest metropolitan area in the US; and from San Antonio, the 25th largest metropolitan area in the US, we immediately noticed the calm traffic and relaxed atmosphere. This should provide a lot of time for bonding with our buds and remembering and enjoying the reasons we go to Conclave.

One of the nicest aspects of the Hilton Waco host hotel and sister Courtyard by Marriott hotel is the across-the-street proximity of Indian Springs Park with the Brazos River, suspension bridge and the "Crossing of the Brazos" sculpture series. Diagonally across the street is a food truck compound. Head out the other way for restaurants, pubs and shops.

Date Nights on Tuesday and Wednesday will give Conclave attendees an opportunity to pick cuisine and tablemates. Entertainment is also planned. Cool afternoon activities are designed by each participant. There's a lot to do in air-conditioned comfort. How about a water park, or splashing in the redesigned hotel's luxurious pool areas? There are great locations for kid/grandkid things to do, too.

HGTV's "Fixer Upper" television series has changed the landscape of home design and of Waco. The Magnolia Market and surrounding businesses provide ideas and products for updating your home style. It's hard to resist Fixer Upper magic. A free trolley goes from the hotel to the Magnolia Market silos, stopping through downtown. There's also a Waco-Tours bus that promises a 2 1/2 hour inside look at Waco's history, homes, and hidden gems.

Conclave will feature a Welcome Reception Sunday evening in the Hilton lobby. Monday's Popularity judging is at Indian Springs Park and provides a chance to reserve a photography booking for your family and your car. You might also get a close look at a Healey boat in its natural habitat. Later that evening, the Party on the Bridge will provide a unique venue for celebrating.

Tuesday morning features competition events (Gymkhana, Funkhama, and Acceleration Runs) to be held at the Texas State Technical College's airport. There are Pinewood Derby and t-shirt quilt tech sessions in the morning. Regalia, Arts and Crafts and the Recycle Redo Reuse clothing area will be in the same room. Healey Matinee at the Movies at the Hippodrome will provide a cool venue (both in temperature, history, and car footage). A racing paddock set up will be created outside the Hilton.

Wednesday will feature good shopping, the Pinewood Derby in the morning, the tea in early afternoon, and a late afternoon Racing Forum Tech discussion featuring special guests, Clive Baker, Sebring Sprite driver; Steve Coleman, Sebring Sprite owner; and our very own Chris Kellner.

Thursday will start with the rally drivers' meeting and rally. The AHCA Delegates meeting is in the afternoon followed by a tech session about Healey Boats. Other tech sessions will be available on automated cars and suspension. Thursday's awards banquet is in the convention center.

Friday now features a chance to participate in a paid tour of the Circuit of the Americas race track in Austin, Texas, followed by lunch. Then it's back to Waco for most folks to start on their way home.
