VP RAMBLIN'

Well here we are, Bob Bender and myself having our final dinner in Carlisle, Pa. Our Healey club had a wonderful representation. We all brought our extra spares and sold a good portion of them, and somehow still came home with our trucks full. For the first time in many years there was no horizontal rain or any rain at all.

We also signed up a new member from Middletown, N.Y. Middletown is in Wing 1, so as the new temporary wing commander, we had a meeting.

Attendees were, myself, Vars Smith, Dave Perry, Craig TerBush, Bob Bender and our new member, Walter J. Conklin III,

Remember Summit @ Jiminy Peak, it will be a fun time with your Healey brothers & sisters. Also remember our driving season is upon us, so please be safe

*THANKS,
Denny*

**BASS PRO CRUISE-IN AT PATRIOT PLACE, FOXBORO, MA
THURSDAY JUNE 8TH AT 4:00 PM**

North Shore and HEMRI Wings are going to combine to show the Healey flag at one of the biggest car shows around at the Bass Pro Cruise-In at Patriot Place, Foxboro, MA on Thursday, June 8th <http://patriot-place.com/masscruisers#.WSMGR2jyuUk> .

This show regularly draws over 2,000 cars and the sponsoring club, Mass Cruisers, will save spaces for us so we can park as a group. Join our Wings as we fly in formation into the show.

We'll meet up just north of the stadium at Route One Wine and Spirits. 29 Washington St. (Route 1), Foxboro, at 4:00 pm and drive in together.

Let Rick Neville: HealeyRick@yahoo.com know by June th if you're coming so he can tell the organizers how many spaces to save for us. Once he knows who's coming, Rick will organize a meeting place somewhere more central to the North Shore Wing so we can caravan down together (always nice to have some Healeys to travel with in the exceedingly rare chance of a breakdown).

RSVP by June 7 to Rick Neville

The “**Rallye for a Cure**” puts you behind the wheel of your classic sports car for a great cause!

The Connecticut Vintage and Classic Sports Car “**Rallye for a Cure**” is holding its third road rallye to benefit the Juvenile Diabetes Research Foundation (JDRF). Starting at Jaguar Hartford, 133 Leibert Road, Hartford, this rallye will wind its way westward through the beautiful country road of Connecticut. The rallye will culminate at the Lime Rock Park with parade laps on the big track.

Enter as a team (driver and navigator) and enjoy a Game-Tour-Adventure (GTA) Rallye — a fun drive with a need for a keenly observant navigator! During your drive, record information about the route in a scavenger hunt style rallye which is fun for all ages. Enjoy the beautiful countryside while supporting a worthy cause!

JDRF is the leading global organization focused on Type 1 Diabetes (T1D) research. Our rallye will make a dramatic impact for the CT/MA chapter of JDRF as it moves life-altering research out of the lab and into human clinical trials. Forbes rates JDRF a “top ten pick” for non-profit investment, and JDRF's expenditures directly support diabetes research and research-related education.

In the past four years, the Rallye has raised over \$40,000 to benefit Juvenile Diabetes Research Foundation! **Please see our rallye website (<http://goo.gl/U8VBmA>)** for further information and registration. **Join the fun at Connecticut's 2017 “Rallye for a Cure!”**

ESSEX RIVER CRUISE AND FREE LOBSTER FEED August 19th

What says Summer on Cape Ann better than a boat cruise followed by a giant Lobster Feed? Join the North Shore Wing on August 19th for a narrated morning cruise down the Essex River while drinking in the unspoiled scenery of the tidal estuary along the Atlantic coast. Coffee and muffins will be served. Get a preview [HERE](#).

Then, following a short driving tour through the shipbuilding village of Essex and Gloucester, we'll arrive at the home of Thompson and Judith Ann Webster for a classic Lobster Feed. It'll be the height of Summer and that means in addition to fresh caught lobsters with drawn butter, there'll be local corn and tomatoes picked at the height of freshness. There'll even be some hot dogs for the crustacean-challenged. And, thanks to the generosity of the Websters, the food is free. BYOB, though, as you can't expect them to cover the bar bill for a Healey event, can you?

So, price for a cruise and lobster feed is \$30 per person, probably the best deal you'll get anywhere all Summer. Get your checks in early, payable to Craig Hess at 228 Bray St., Gloucester, MA 01930.

We're setting a deadline of July 22, but the sooner we get reservations in the greater the likelihood that we can charter a private boat just for us. And don't worry about a rain-out. The boats have rain protection and we can move inside at the Websters' home, so this event is a definite on the 19th of August.

RSVP by July 22 to Rick Neville

Anyone with questions about this event or other Northshore Wing gatherings, may contact Rick Neville at 978-810-0963 or email wing.commander.rick@gmail.com

AUSTIN HEALEY CLUB OF AMERICA CONCLAVE

CONCLAVE 2017, *the video:* www.ahcaconclave.com/video

The city of Waco has 17 museums and historic homes. It is the 22nd largest city in Texas with a 2015 US Census population of 132,356. Last summer, the Conclave chair and co-chairs went to Waco to explore. Coming from Houston, the 5th largest metropolitan area in the US; from Dallas/Ft Worth, the 4th largest metropolitan area in the US; and from San Antonio, the 25th largest metropolitan area in the US, we immediately noticed the calm traffic and relaxed atmosphere. This should provide a lot of time for bonding with our buds and remembering and enjoying the reasons we go to Conclave.

One of the nicest aspects of the Hilton Waco host hotel and sister Courtyard by Marriott hotel is the across-the-street proximity of Indian Springs Park with the Brazos River, suspension bridge and the "Crossing of the Brazos" sculpture series. Diagonally across the street is a food truck compound. Head out the other way for restaurants, pubs and shops.

Date Nights on Tuesday and Wednesday will give Conclave attendees an opportunity to pick cuisine and tablemates. Entertainment is also planned. Cool afternoon activities are designed by each participant. There's a lot to do in air-conditioned comfort. How about a water park, or splashing in the redesigned hotel's luxurious pool areas? There are great locations for kid/grandkid things to do, too.

HGTV's "Fixer Upper" television series has changed the landscape of home design and of Waco. The Magnolia Market and surrounding businesses provide ideas and products for updating your home style. It's hard to resist Fixer Upper magic. A free trolley goes from the hotel to the Magnolia Market silos, stopping through downtown. There's also a Waco-Tours bus that promises a 2 1/2 hour inside look at Waco's history, homes, and hidden gems.

Conclave will feature a Welcome Reception Sunday evening in the Hilton lobby. Monday's Popularity judging is at Indian Springs Park and provides a chance to reserve a photography booking for your family and your car. You might also get a close look at a Healey boat in its natural habitat. Later that evening, the Party on the Bridge will provide a unique venue for celebrating.

Tuesday morning features competition events (Gymkhana, Funkhane, and Acceleration Runs) to be held at the Texas State Technical College's airport. There are Pinewood Derby and t-shirt quilt tech sessions in the morning. Regalia, Arts and Crafts and the Recycle Redo Reuse clothing area will be in the same room. Healey Matinee at the Movies at the Hippodrome will provide a cool venue (both in temperature, history, and car footage). A racing paddock set up will be created outside the Hilton.

Wednesday will feature good shopping, the Pinewood Derby in the morning, the tea in early afternoon, and a late afternoon Racing Forum Tech discussion featuring special guests, Clive Baker, Sebring Sprite driver; Steve Coleman, Sebring Sprite owner; and our very own Chris Kellner.

Thursday will start with the rally drivers' meeting and rally. The AHCA Delegates meeting is in the afternoon followed by a tech session about Healey Boats. Other tech sessions will be available on automated cars and suspension. Thursday's awards banquet is in the convention center.

Friday now features a chance to participate in a paid tour of the Circuit of the Americas race track in Austin, Texas, followed by lunch. Then it's back to Waco for most folks to start on their way home.

Wing 2 Meeting at Motorcars in Plainville CT

Wing 2 had a great meeting at Motorcars in Plainville, CT on April 22nd with owner Dean Cusano being most gracious with his hospitality and tour of his facilities. Our own club member Rick Lees, who works at Motorcars Inc, led a tour of their shop floor and the fantastic cars being serviced and/or being stored. The enclosed photo [taken by Rick] has our Club cars, owned by David Berube and Les Roberts., on display in the shop,

Motorcars services most British vehicles. Quite a shop!!

L-R : Len Bach, Carolyn Bach, David Berube, Bev Sealand, Shop Owner Dean Cusano, Robert Scalia, Doug Gillette and Les Roberts. Kneeling in the front is Rick Lees.

Upcoming Wing 2 Events

- The next event for Wing 2, and all others are welcome, is the "**Rallye for A Cure**" on June 17. Starting at the Jaguar dealership in Hartford with a rally on the way to Lime Rock Park, in Lakeville, CT. Jud has informed all the Wings of this great event for Juvenile Diabetes Research Foundation.
- Then on August 26, Wing 2 will participate in "**The Dream Ride Experience**" held on the Farmington Polo Club in Farmington, CT. This is for special Olympics athletes paired with classic, muscle and hyper cars, escorted through the Farmington Valley and where the athletes are honored at a red carpet affair. If we as a Club, **not just Wing 2**, can get a number of Healeys, we may have our own tent. This a great activity for \$30.00, with many celebrities i.e. Wayne Carini and our own Rick Lees!!! There will be catered food and refreshments. Dean Cusano promises it is a lifetime experience. Contact me as I will have more info on the time and also so we can meet and all arrive as a group.
- On September 17, 2017 there is the "**Simsbury Fly-In**", in Simsbury, CT. If we meet early and go in as a group, they will usually have us all in one area! A fun day with vintage aircraft and an air show. Again, final time and meeting place details to follow. **Good weather only.**
- Many events with other local Wings are available for the Fall Season..

NORTH SHORE WING NOTES

The weather cooperated this week for a nice bit of Healeying for the Wing. Four Healeys were at the opening of "**Cruisin' the Tree**" at Liberty Tree Mall in Danvers on May 17th:

Craig Hess with his Concours Gold 100/6, which is quite a beauty, Nick Zarkades with his Frogari bugeye, Bob DiLisio with his Golden Beige Metallic BJ8 and me with my Nasty Boy BJ7.

We'll be doing this the third Wednesday of every month (next one on June 21) .

Come join us!

There's a great mix of cars and always some interesting new folks to chat with. Amazing how many of the hot rodders and custom car folks have Healey stories.

HYDE PARK EVENT

Club members from Wings 1, 2 and 3 flew into Hyde Park, New York on Saturday, May 20th for an exclusive tour of Franklin Delano Roosevelt's Home, Library and Museum followed by lunch at the nearby Culinary Institute. Most members brought their Healey's even with a less than perfect weather forecast.

The house tour was very impressive, and all members found the museum very interesting, some even came back after lunch to visit the museum in greater depth.

The group had lunch at the "Harvard" of culinary schools with most ignoring dietary guidelines and indulging on an appetizer, entree, dessert and the beverage of their choice.

The preparation and presentation of the food was impeccable as one would expect.

Those in attendance were Greg Mandas, Carl and Amy Carvell, Ted and Mary Carol Cryer, Gerry Mucciolo, Les and Jan Roberts, Ted and Elissa Kiessling, Bob Markovich, Jim and Martha Healey, Bob and Gayle Selvidio, Jud Perkins and Pat Duncan.

CLASSIC CARS AT BELMONT TOWN DAY—MAY 20th

Saturday, May 20 was Belmont Day in Belmont, MA. Jaguar Association of New England president Dean Saluti invited the Wing to participate, and the Healeys outnumbered the Jags! The sidewalks of Belmont Square were crowded with merchants and vendors while the streets around the Belmont Savings Bank were surrounded by one beautiful car after another.

The Wing was represented by Dave Shushan in his gorgeous Healey Blue Phase I BJ8, Bill and Sharon Brackett in their equally pretty BRG Phase II BJ8, Tom Sullivan in his very attractive OEW BT7 and me representing the outlaw branch. Weather was perfect and the Bank gave us the royal treatment with coffee and bagels, pizza, cold beer and the key to the executive washroom. And best of all, Dave Shushan took home a check for \$50 for coming in as a runner-up to best in show.

Here's a video clip to give you an idea of some of the nice company we were in:

30TH BRITISH BY THE SEA GATHERING JUNE 4TH, 2017

The Wing Nuts hosted a gathering before **BRITISH BY THE SEA** at **Fort Trumbull, 90 Walbach St, New London, CT**. The group of eight Healeys met at 9:00 AM and enjoyed a brief presentation about the history of Fort Trumbull before departing on a short scenic drive, led by Ted Stanton, to the Harkness Memorial State Park for the British By the Sea Gathering.

BBTS celebrated its 30th Anniversary this year and had 300+ cars in attendance. As always, the CT MG Club did a wonderful job organizing the event, securing the beautiful location by donating plants and their time to plant the gardens of the Harkness State Park.

The **AHC-NE** was well represented at the event, with mostly local members: Ted & Judi Stanton, Jud Perkins & Pat Duncan, Greg Mandas, David Snetro, Jay & Marie Stats, Bob Selvidio, Geoffrey & Martine Fairbairn, David Silberkleit, Dutcha Slieker-Hersant, Jim Healy, and David Berube, with Neill Slaughter joining us from Southampton, NY and Don Margeson & his friend traveling 200 miles from New Hampshire. Member Geoff Fairbairn & Martine Nolletti drove his Triumph TR4 to the show.

What started as a beautiful bright sunny day turned cloudy midday, causing many of the attendants to leave early in order to beat the predicted foul weather. The show was a "popular vote" event and there were many club members among the trophy winners :

	<u>100 class</u>	<u>3000 class</u>	<u>Sprite class</u>
1 st place	David Snetro	Jim Healy	David Silberkleit
2 nd place	Ted Stanton	Don Margeson	Jeff Burkholz
3 rd place	Neill Slaughter	David Berube	Dave Feda

Ted Stanton collected the trophies for the 100 and 3000 classes.
Please contact Ted at Healey@snet.net to claim your trophy.

Come and join the fun next year!
